

Chief Economic Drawback, Says Educator, Is Self

Livingston Ferrand, President of Cornell, Declares First Duty of Citizens Is to Community.

A student should be graduated from a college, a high school or a university, not for the sake of a diploma, but for the sake of the community, said Dr. Livingston Ferrand, president of Cornell University, who spoke yesterday at the meeting of the Chamber of Commerce.

"The greatest difficulty of the economic world are due to ignorance and self-interest," he said. "The greatest difficulty of the economic world are due to ignorance and self-interest."

Ignorance Is Drawback

"My ideal of a university is an institution with few rules and regulations. My highest ideal of a university is a place for fellows and girls to begin to realize they owe something to the city, the state and the country."

"Ignorance is the greatest drawback a country can know," Dr. Ferrand concluded. "It would be impossible to have a Russia as it is today, disorganized, destitute and unbalanced if people were educated. After all, a healthy, educated citizenry is the only way to give something to the country."

C. of C. Considers Women Members

Conference Held Between J. David Larson and Miss Watts to Discuss Plan.

Are the business women of Omaha to be admitted to the Chamber of Commerce?

As a rule the women want to get in, but so far the rules of the chamber have not been changed. J. David Larson, president of the chamber, stated yesterday, however, that a conference was being held between J. David Larson, commissioner, and Miss Fay Watts, president of the Business and Professional Women's club, numbering 125 of the leading women executives of Omaha.

Miss Watts stated that a few women are opposed to joining the chamber. Some of the members want to accept the proposition to take club rooms in the Omaha Women's club building on South Seventeenth street.

Cancel War Debt, Concordians Told

Jay Burns Says Forgiving of Obligations Would Restore Trade.

To wipe the entire European debt of \$54,000,000,000 of the slate and forget it, so that those countries, and especially Germany, which is under an enormous indemnity, can spend their money for goods and create a market for the products of this country, was advanced as the quickest and most efficient method of reconstructing business in the United States, by Jay Burns, president of the Jay Burns Baking company, speaking at the regular noon luncheon of the Concord club at the Fontenelle hotel yesterday.

"We could even go further than this," Mr. Burns said. "We could afford to make Germany a present of \$5,000,000,000 in gold. As soon as we had done that, the value of its currency would be restored and that for our own good we cannot afford to enforce the payment of the indemnity."

A record attendance was at the Concord club luncheon and a number of guests were introduced to the members. Music and the singing of popular songs featured the luncheon.

"Cannot Force Indemnity."

While Mr. Burns expressed himself as strongly in favor of making Germany pay dearly for what it did to the other nations in bringing on the world war, he declared that for our own good we cannot afford to enforce the payment of the indemnity.

"Germany emerged from the conflict in better economic condition than any nation engaged in the war. Its industries were practically intact and because of its cheap market, it can now manufacture goods cheaper and undersell any of the other nations. If this indemnity is enforced, Germany will develop a frugal nation, strong in resources, at the end of the 40-year period. Just as long as Germany's currency is better than that of other nations in value, it will maintain economic supremacy."

Archbishop of Omaha Orders Mass for Pope

Official Announcement of Pontiff's Death Sent to Every Clergyman in This Diocese.

Directions for services to be held in memory of the late Pope Benedict XV were contained in the following official announcement of the pontiff's death sent to every clergyman in the Omaha diocese by Archbishop Hart:

"Reverend Dear Father: I regret to announce to you the death of our holy father, Benedict XV, which occurred on Sunday, January 22.

"Solemn requiem services for the late pope will take place at the cathedral in the following order: On Monday, January 30, in the evening at 8 o'clock the office of the dead will be recited followed by a sermon; on Tuesday, January 31, pontifical mass and a sermon on some of the achievements of Benedict XV. To these services all the clergy and the laity of the diocese are invited; a delegation from each parish should be present.

"In each parish church of the diocese I direct that a solemn requiem mass be offered for the repose of the late holy father, on a day and hour which the reverend pastor may deem convenient for his people.

"I also direct that when the rubrics permit, the oratio pro sede vacante (Supplic. Domini) be said in the mass until the election of the new pope; furthermore that the people be exhorted to unite with the pastor in the prayer:

"We most humbly entreat Thee, O Lord, that Thine immeasurable loving kindness may grant as bishop to the most holy Roman church one who shall ever be pleasing to Thee by his loving zeal in our regard, and by his beneficent rule deeply revered by thy people to the glory of Thy name. Through our Lord."

"Joining you in sentiments of sorrow, I am faithfully yours in Xto, 'J. J. HARTY, Archbishop-Bishop of Omaha'

If found to be economical the merchant delivery probably will be extended to other cities, he said. St. Paul is the only other city in the United States which now has it.

Cop Dismissed on Bribe Charge

Patrolman Behrens Found Guilty of Freeing Pair for Money—Another Under Fire.

Patrolman John D. Behrens was dismissed from the police department by the city council yesterday after a hearing on the charge that he accepted money from J. J. O'Connor, 111 South Forty-first street, and Gerald Miller, 2012 Avenue A, Council Bluffs, while on special duty at the Empress Rustic garden.

Charges also will be filed against Court Officer Chester M. George, based on his own testimony, Chief of Police Dempsey said yesterday. The chief and Commissioner H. W. Dunn will exercise a stricter supervision hereafter over the police during leisure hours.

The testimony in the hearing brought out that Behrens accepted money from O'Connor for keeping quiet after the policeman had taken a bottle of liquor from him. It was when Officer George attempted to testify in behalf of Behrens that he got into deep water with the commission.
