Here's something good for Sunday dinner

or afternoon tea! It's a joyous taste sensation to tickle the palate of every lover of

Apricot Melba

It's the very latest Harding Sunday Special

Ice Cream and is served by Harding dealers everywhere. Carry some home today!

good things to eat.

for the Winter

# Quality of Mothers

Does motherhood, with its attendact cares and responsibilities, make less attractive in the eyes of her friends than she was in the days before her marriage? was the subject of a controversy in the Kan-

the affirmative and will cite a specific case where a pretty girl became worn and tired looking by the time baby was 2 or J years old, neglected her appearance, became rusty on current offairs, dropped her friends and nat-

This is undoubtedly true, especially pergris or bergamot, civet or skunk, or the perfume might be offensive, mong women unable to afford a More Used in France. among women unable to afford a unid or nursemaid. The constant

Such a condition is often avoidable, s as much as any one woman can among well-bred persons. well, and if she still has time to be fresh and attractive then she has unusual strength and nerves or an

flower does mother love bring forth responsibility of a helpless baby deelops stability and determination. The cry of a sick child gives birth to a fervent faith in God's mercy monds, add six cups of rich milk and a fear of His power.

#### Patience Vital Show Good Taste in Use of Perfume Vegetable Jellies little extra trouble. A tube cake paid for five minutes. Add the gelatine, for the Winter makes a pretty mold for a salad that In Business Office It Is Out of Place-Too Liberal Scenting Is Always Obnoxious and Cheap.

Many a man since Napoleon Bon- American atmosphere that makes the aparte has had a decided antipathy effect of a very little scent go a long a pleasant variety to the menu and ment of Agriculture recommends the properties and has had the inclina- way and makes many persons object are particularly well adapted for use following:

| Vegetables molded in gelatine give recipes. The United States Department of Agriculture recommends the properties and has had the inclina- way and makes many persons object are particularly well adapted for use following: tion, if not the courage, to banish to the abundant use of scents. It is salads. Chicken aspic and other from his presence all those who were addicted to the habit of using sweet scents about their persons. Naportion, you know, not infrequently ation—unless he had been bred in request even very pretty women in the way of slightly scented soap in the would be hard to find a thorough-led water in solded Beet Salad—Eight small to do do the two cupfuls of milk. Cool and add two cupfuls of milk. Cool and stew cupfuls of milk. Nine girls out of 10 will answer in the way of slightly scented soap or toilet powder. Periumed handase where a pretty girl became worn of tired looking by the time baby

Mine girls out of 10 will answer in the way of slightly scented soap in the way of slightly scented soap or toilet powder. Periumed handase where a pretty girl became worn of tired looking by the time baby

Soak the gelatine in cold water and beaten egg a shout 2 minutes, or until soft. Pur ladleful on a smoking in the way of slightly scented soap or toilet powder. Periumed handindividual forms and served as salad the water, vinegar, sugar, spices, bay with tomato sauce. know of one or two business men of men, saday who have discharged really satisfactory typists and stenographsatisfactory typists and stenographers all because of a fondness that fume in their own homes and elsehaby caring, husband feeding and these young women possessed for where when they are not to be in a housekeeping.

With this group of periume haters periume in a business office is not tocusing of one's thought on baby on the one hand and on the other a in good taste. Even if periume is affairs, however dear to a mother's group of persons who insist that not annoying it is likely to be disheart, will crowd out other broaden- the pleasures of the olfactory sense tracting. To many men, in fact, ir ing influences and tend to produce are much neglected and most refining is as suggestive of indolence as the that disinterestedness and that unin- in their influence, it is hard to say strains of soft music-all very well formed state of mind so common to whether or not the use of perfume in their place, but not during work young mothers. No business man likes to is ill bred. In spite of Napoleon, hours. Such a condition is often avoidable, but more often it is not. The physical care of a baby, plus the housework, England, too, more perfume is used office the particular kind of scent his stenographer uses-even if it does There must be something in the cost \$12 an ounce bottle,

there is, or a young man, for that there is, or a young man, for that there is, or a young man, for that which has been soaked and dismatter. A mother must berself learn solved, then mould, chill and serve attractive and stale in a social sense is developing character traits uncreamed of and a wonder to herselt. Like the sun's warmth on a budding flower does mother love bring forth. A mother must herselt learn self-control before she can control her child. She must overcome her own shortcomings before she can be an example to her little ones. She must be wise in the methods of child training and firm in her guidance and discipline.
