#### Northwestern-Pacific Phone Merger Planned

Washington, Feb7 .- The Northwestern Long Distance Telephone company and the Pacific Telephone and Telegraph company applied to the interstate commerce commission today for permission to consolidate lines in Oregon, Washington and Idaho. The proposal agreement between

the two companies provides for lease of the Northwestern plant to the Pacific corporation for 15 years at an annual rental of \$34,750. If, during the term of the lease, either company desires to complete the con-solidation, the Pacific company agrees to pay \$250,000 to the North-western and to cancel an indebtedness of \$295,000 which it holds against the Northwestern company. The Northwestern company has been unable to maintain its earnings in a competitive relationship with the Pacific company, the application asserts adding that the consolida-tion would add to the efficiency of long distance service.
