

### Omaha Rotary Lays Plans for Boy Scout Drive

Harry Koch, Ward Burgess, Harry Weller and John Welch Head Campaign Groups.

Plans for the drive of \$28,000 to carry on Boy Scout work in Omaha the coming year were perfected at the regular luncheon of the Rotary club at the Borne hotel yesterday.

Harry Koch, Ward Burgess, Harry S. Weller and John W. Welch are in charge of the four groups of workers who will make the canvass for funds. Each group will be composed of four teams, headed by captains. The drive will be made next week entirely under direction of the Rotary club, sponsor of the Boy Scout movement. In former years the money to carry on the Boy Scout work was entirely subscribed by Rotarians, but the amount needed became so large that it was found necessary to ask the general public to help, it was said.

Dr. Frank G. Smith, pastor of the First Central Congregational church, was the principal speaker on yesterday's program.

Dr. Smith chose as his subject "Rotarians in Deed and Truth, as Well as in Name," and in an eloquent talk emphasized the great need of Rotarians living up to the principles of the Rotary club, the principles of service and fellowship.

Dr. Smith invited the members of the Rotary club to attend special Rotary services at his church at 11 Sunday, February 19.

Club singing, led by Charles Gardner, featured the luncheon.

**Woman Worker Among Blind Sentenced to Year for Theft**  
Milwaukee, Feb. 8.—Miss Alice Burnham, 49, widely known as a worker for the blind, was sentenced to a year in the house of correction by Municipal Judge Bakus for the larceny of clothing, dress goods, hat trimmings and trinkets valued at nearly \$800 from the home of Mrs. Wilhelmina McNamara.

Miss Fellows at one time taught at the school for the blind at Janesville, and formerly lived at the McNamara home. Two semi-blind children were adopted by Miss Fellows and are under the care of friends.

**Girl Severely Burned Playing With Toy Stove**  
Helen Whitney, 4, was severely burned Tuesday afternoon while playing doll house with her little friend, Marian Wagen, 4, 1102 North Twenty-second street.

Both girls were scratching matches to light a little stove stuffed with paper when a lighted match fell on Helen's dress and set it afire. She was discovered a few minutes later by Marian's aunt, Mrs. Jean Jenkins, who threw a rug about the burning form. Helen was taken to the Ford hospital and is in a critical condition.

**Fashions Will Occupy Callias Home During Trip**  
The home of Dr. W. F. Callias and his wife, Dr. Jennie Callias will be occupied by Mr. and Mrs. E. E. Foshier during a trip abroad of the Calliases.

They will sail from New York February 14 on the steamer George Washington and will return about the first of June. Angiers, Egypt, Greece, Turkey and the countries of western Europe are on their itinerary. Dr. W. F. Callias will do research work in Germany and London.

**Order Closing One-Time Sulf Drink Place Revoked**  
On the Independent Realty company's showing that Louis Lasero-witz would conduct a mercantile establishment at 308 North Sixteenth street, Federal Judge Woodrough yesterday revoked his ruling which closed the place for one year. Joe Failla was found guilty of selling liquor in a soft drink parlor there.

**Home of Taxi Official Looted of Silverware**  
The home of C. C. Nieman, vice-president of the Yellow Taxicab & Transfer company, 5024 Izard street, was broken into while the family was absent for a few days attending a funeral, and \$700 worth of silverware was stolen.

**Dunn Would Have Closer Watch Kept on Cabarets**  
Police Commissioner H. W. Dunn declared emphatically yesterday that the cabarets of the city need a stricter supervision. He said he had no definite plan, but wanted greater co-operation from the proprietors of the dance halls.

**Summer School for Blind**  
The School for the Blind will hold a summer session of eight weeks beginning June 9. This is a new departure in Nebraska. The school will be for adults and will be largely for giving industrial education. Besides various trades there will be an opportunity for all to take up Braille, the tactile writing that has been standardized for the whole world. N. C. Abbott is the superintendent.

**Appeal Time Extended**  
Smith Heins and John Moore were given additional time, until March 14, by Federal Judge Woodrough, in which to file appeals with the circuit court of appeals for new trials on "dope" and liquor charges.

**Deaths and Funerals**  
The funeral of Marian Barnell, 18, struck by an automobile driven by George H. Gibson has been postponed until 2 this afternoon.

Funeral services for Thomas Ryan, 48, veteran employe of the city street department, found dead in his home at 1216 Jackson street Tuesday, will take place this morning at 10:30 at John A. Gentlemen chapel and at St. Philomena church at 9.

Jack Nielsen, 42, died yesterday in the shack at 808 South Seventh street. Herman Hanson, who has been living there for a few weeks, told police he went for a doctor when Nielsen was taken sick and when he returned he found Nielsen dead.

Headmistress Reischreiber, 42, 703 South Twenty-ninth street, who died of pneumonia at a hospital Tuesday night, will be buried in Fisher Hill cemetery this morning.

### Two Women Seek Right to Name and Love of Man

Mother of Young Baby and Divorced Wife Appear in Court at Hearing of Walter Cockerill.

Two women who profess love for one man, met face to face in District Judge Sears' court yesterday afternoon.

One carried a 3-weeks old baby, of which she declares the man is father. The other was there to defend him.

The man, Walter Cockerill, was arrested on the complaint of Frances Kosik, 27, 2008 Douglas street. Miss Kosik, through the county attorney's office, charged him with failure to support her baby.

**Love Is Revived.**  
Mildred Cockerill, who obtained a divorce from Cockerill last spring, declared a reconciliation between herself and Cockerill has been effected. "I love him," she said, "and I don't see why I should give him up."

"Yes, but think of the baby," said Miss Kosik. "I call her Betty Cockerill."

**Lived in Beatrice.**  
During the arraignment of Cockerill before Judge Sears, Betty lay on a table in the courtroom. Cockerill gave the baby scarcely a glance. He admitted that Betty's mother and he had lived together in Beatrice.

Cockerill was taken back to the county jail, where he was being held on a \$1,000 bond. The two women talked in low tones together before leaving the courtroom.

I have recommended your medicine to several friends and they speak highly of it. You are certainly doing good work in this world."
