**S**UCH a sale as this has never been heard of at the beginning of a season. Our new Ready-to-Wear Merchandise manager made for us his first trip East. Special concessions made by this new manager's friends for the benefit of his initial sale, combined with our ability to purchase in large quantities and pay cash for special bargains, has made this remarkable sale possible.

Our advice to you is to come early. Sale begins promptly at 9 A. M. During this sale there will be no refunds or exchanges—every sale final.
