

Auto Guest Sues Doctor for Hurts
Bellevue Physician Is Defendant in Action Brought by Woman Realtor.

Mrs. Eleanor Shifflett, realtor of Bellevue, brought suit for \$10,000 against Dr. William H. Reiz, physician, also of Bellevue, for injuries she says were sustained when Dr. Reiz' machine, in which she was an occupant, crashed into a bank last September.

Mrs. Shifflett stated that she was invited to ride with Dr. Reiz to Omaha where she had some business. She charges in her petition that Dr. Reiz drove his machine at excessive speed.

According to Dr. Reiz, the accident occurred when he tried to avoid colliding with a woman on horseback.

PIMPLES ON FACE TWO YEARS
Also On Back. In Blotches. Cuticura Healed.
My trouble began in sort of small, white pimples on my face and back. They were in blotches and festered and scaled over. My clothing aggravated the breaking out on my back, and my face was disfigured for the time being. The trouble lasted about two years. I tried different remedies but nothing cured me. I began using Cuticura Soap and Ointment and after I had used two and a half cakes of Cuticura Soap and one box of Cuticura Ointment I was completely healed." There's No Picture Like the Picture of Health

The greatest masterpiece in the Art Gallery of Life is Nature's "Picture of Health."
It is a marvelous portrayal of the human body in its best. One behold to its composite detail a true symbol of strength. It represents a figure of striking appearance in its erect carriage, clear skin, sparkling eyes, strong limbs, steady nerves and firm muscles; fairly vibrating in animation—lively, alert, fresh, and spirited; with an air of unbounded confidence and a face radiant in color and illuminated with a glow of hope and cheerfulness.
Could Nature have taken you for her model? Suppose you study yourself in the mirror of the present and compare your looks, your feelings and your condition with the general characteristics of this picture of the human body in its best working order, all parts of which are sound, well organized and disposed, performing their functions freely, naturally. If you fall in any single point of resemblance, you are not the picture of health. It is inevitable, then, that you look to a means to rebuild your strength, energy and vigor—to bring your body up to a normal state of efficiency in all of its parts.
LYKO The Great General Tonic
Nothing is more efficacious as a restorer of exhausted nerves and depleted forces than LYKO, the great general tonic. It builds up the worn-out system, replenishes the blood, creates new power and endurance, and revives the spirits of those who are weak, tired, listless and over-wrought as the result of sickness, excessive strain, worry or over-work. It is a reliable appetizer, a splendid aid to digestion and a functional regulator of the liver, kidneys and bowels.
All druggists sell LYKO. Get a bottle TODAY and you'll soon begin to look more like the picture of health.

YOU'LL GET RID OF BLACKHEADS SURE

There is one simple, safe and sure way that never fails to get rid of blackheads and that is to dissolve them. To do this get two ounces of calomine powder from any drug store—sprinkle a little on a hot, wet sponge—rub over the blackheads briskly—wash the parts and you will be surprised how the blackheads have disappeared. Big blackheads, little blackheads, no matter where they are, simply dissolve and disappear, leaving the parts without any black whatever. Blackheads are simply a mixture of dust and dirt and secretions from the body that form in the pores of the skin. Finching and squeezing only cause irritation, make large pores, and do not get the blackheads out after they become hard. The calomine powder and the water simply dissolve the blackheads so they wash right out, leaving the pores free and clean and in their natural condition. Anyone troubled with these unsightly blemishes should certainly try this simple method.
