Donn, candidate of the Union Pacific, who has headed the list for 10 days; the "Advo girl" holding first place the first day of voting and again on May 3.

In the next seven days of voting it is believed that Omaha will prove itself to be the banner city co-operating in the Good Will elections by securing sufficient votes to send from Omaha the largest number of girls that will accompany the Good Will delegation from any city on the trip to France in July.

A children's musical will be given by juvenile musicians of the families of the stockyards interests. This will be held in the exchange tomorrow morning between 10 and noon.

About 3,000 will be in attendance at the Union Pacific dance to be held this evening at the Auditorium.

The McCord-Brady company has arranged for a booth at Krug park for four days preceding its dance, where tickets will be on sale. This dance at Krug park, on the 17, is creating a great deal of interest.

The Marshall B. Craig musical revue is to be held May 16 for the candidates of Orchard & Wilhelm and the Union Pacific.

The Burlington organization is mustering its forces from all parts of the country and the Burlington spirit is being manifested in the number of votes brought in daily for their candidate, Miss Kate O'Brien.
