W. A. Hopewell, '03, is visiting his Phi Gam brothers.

Ray Poffard, '04, is visiting his Delta U. brothers for a few days.

Miss Gardner of Boulder, Colo., is visiting her Pi Psi sisters at the chapter house.

The Freshmen of Kappa Kappa Gamma are planning a Hallowe'en party for the active chapter.

Miss Morrison, a member of the Kansas chapter of Pi Beta Phi has been visiting her sorority sisters at the chapter house this week.

The alumnae chapter of Delta Gamma will give a Hallowe'en party for the active chapter at the home of Miss Dewesse Saturday evening.

Clark Powell and Charlie Engel were Omaha visitors at the Phi Psi house over Sunday. They made the trip from Omaha in an automobile.

C. P. Craft, Alpha Theta Chi, and J. H. Broady, Beta Theta Pi, have pledged to the legal fraternity of Phi Delta Phi.

Alpha Omicron Pi initiated Miss Helen Piper, Edna Harpham, Alice Spears, Francis Bratt, Edna Damon, Jessie Mosher, Mabel Williams Saturday evening.

Owing to football dates conflicting Chairman Dildine has again changed the date of the Sophomore Hop to Friday, November 20, at Fraternity hall. This date is final.

Delta Delta Delta gave another of their receptions to members of the faculty at the chapter house Saturday evening. Light refreshments were the order of the evening.

Beta Theta Pi gave a party Saturday night in honor of visiting Betas from Colorado. Thirty-five couples were present. Mr. and Mrs. Fred Williams chaperoned the party.

Delta Tau Delta gave a smoker at the chapter house Saturday evening for their Delta Tau brothers, Messrs. Wright, manager, and Baker Mills, of the Colorado football team.

Clark Powell, a brother of Doane Powell, '04, made the trip from Omaha to Lincoln in his automobile Saturday. He returned to his home this morning. While in Lincoln he was a guest of the Phi Psi's.

After the ceremonies which were held at the home of Miss King, a banquet was held at the home of Miss Piper. Miss Anne Richardson Hall, of Kansas City, from the Barnard, N. Y., chapter assisted in the initiation.

The second Band Informal of the year was held Saturday evening at the Armory. The same committee had this in charge that gave the first Informal. Quick's orchestra and a floor unusually good added to the evening's enjoyment. About eighty-couples were present, among whom were several of the Colorado men.

Miss Jennie Whitmore entertained a number of young ladies informally at her rooms Saturday evening. The guests were all attired in fancy dress costumes. Among many charming ones were coquettish ballet girls, timid looking young men and rather diminutive appearing football warriors. From the shouts of laughter which frequently broke the stillness of the midnight hour one may judge that they had a very enjoyable time. Dainty refreshments were served at a late hour.

TO PROMOTE EXCURSIONS.

Students Asked to Help in Getting Crowd for Knox and Illinois Games.

The football management has been active in devising means for making the crowds at both the Knox and Illinois games record breaking ones. Excursions will be run from all parts of the state. Each student is requested to aid by endeavoring to interest the people in his home town in the excursions and especially to induce the high school authorities to use their best efforts in arranging a trip for their pupils to Lincoln on the date of at least one of the games. Perhaps no more direct way could be arranged than this for reaching the people in all parts of the state, provided that the students do their share. Efforts will also be made to interest the state press and it is quite probable that the games will be advertised extensively through this medium. Any student who desires to help out is requested to see Dr. Condra personally or Manager Buckner. Here is an opportunity to show a spirit of loyalty and students who pride themselves on the work they have done for the interests of the class and the University will have an opportunity to prove their worth.

Chemical Journal Club Meets.

The Chemical Journal club met Saturday morning and spent a very interesting as well as instructive hour. It would be well if others than those specializing in chemistry or contemplating teaching it would attend these meetings, which are held every Saturday morning at 10:30 because an immense amount of practical information can be acquired from them which will prove advantageous in future life. Last Saturday Prof. Nicholson reported on "Antiseptics and their use in the preservation of food."

Other points dealing with the nature of chemical compounds of various kinds were taken up and discussed by Messrs. Jacobson and Dales.

Professor Barbour goes to York on the 29th to deliver a lecture on "A Journey through the Great Plains and Yellowstone Park." The lecture will be for the benefit of the Boy's association of the York High School, which is raising a fund for the establishment of a library.

Mr. E. E. Blackman, state archeologist, will go to Omaha the last of the week in search for the fields where the flint taken from the Nehawka quarries was chipped into implements.

Bruce Yates is now underground engineer for the Homestake Mining company. He is considered a very promising young man in this field. He is located at Lead, S. D.
