THE AMERICAN MONTHLY REVIEW OF REVIEWS

How Can I Keep Up with the Times?

IT is pretty hard to keep well informed on the political news, the scientific news, the literary news, the educational movements, the great business developments, the hundreds of interesting and valuable articles in the hundreds of excellent magazines. About the only way it can be done by the average busy man and woman is to read a magazine like "The Review of Reviews," and, as it is the only magazine of the sort, it is a good thing to send \$2.50 for a year's subscription.

PRESIDENT ROOSEVELT says: "I know that through its columns views have been presented to me that I could not otherwise have had access to; because all earnest and thoughtful men, no matter how widely their ideas diverge, are given free utterance in its columns."

EX-PRESIDENT GROVER CLEVELAND says: "I consider it a very valuable addition to my library."
