

More or Less Local

Mr. H. Quaintance has been out sick the past week.

The chorus will sing Thursday morning at convocation.

Miss Louise Phelps, '03, will visit in Lincoln over Thanksgiving.

Here is a simple problem in arithmetic: '06 plus '07 equals 13.

Miss Minta Mauzy of Plattsmouth is visiting with University friends.

Katherine Corbett left for Colorado yesterday on account of ill health.

These cold days the lunch room in the high school is well patronized.

The class in house economics visited Mrs. Barbour's home Thursday afternoon.

Dr. Dales' class in qualitative chemistry is working with the ammonium sulphate ores.

The class in German 17 will visit first year classes at the high school next week.

Mr. J. E. Rounds, of Highland Park College, Des Moines, is the guest of R. E. Towne.

The high school boys will play football with the Omaha high school next Thursday in Omaha.

The organic chemistry class has been making absolute alcohol and are now beginning to make ether.

The first year class in stock judging numbers sixty-four, a considerable increase over last year's class.

Professor Grumann has a set of "Reviews of German Text Books" in the New York School Journal this week.

The class in quantitative chemistry is determining copper and calcium by gravimetric and electrolytic processes.

Miss Emma Shinbur is expecting a visit next week from her cousin, Miss Lena Nelson, a former University student.

Dr. Bessey will talk before the botany seminar class next Tuesday. He will tell about the plants he saw while abroad.

The first year class in anatomy will finish their study of bones by Thanksgiving and be ready for dissection after that date.

Dr. Dumfrey, of Michigan, is carrying out a system of experiments at the state farm. He represents Park, Louis & Co., of Chicago.

The chorus is working hard on the "Messiah," which will be given just before the Christmas holidays. The "Hallelujah chorus," has been learned.

Mr. Oliver Everett, a Senior in the Medical College, at Omaha, and well known at the University, was a caller at the anatomical laboratory on Wednesday.

The recent cold weather has not affected work on the new stock-judging pavilion. The structure is fast nearing completion and it will soon be ready for use.

This morning at 10:30 the Chemical Journal club holds its regular meeting. Messrs. Redfern, Emerson and Pepperberg will give reports to the club.

An exhibit is being prepared for the International Live Stock Show at Chicago next month. Forage crops will form the main part of the exhibit. Two fine steers will represent Nebraska in the stock exhibit also.

A new case for the herbarium specimens now being mounted has been ordered. As soon as it is completed it will be put in place and filled with plants from the collections which have accumulated during the past few years.

L. P. Buita, '02, was a campus visitor Thursday.

Sigma Alpha Epsilon will give a house party November 25.

Will Duncan, '03, is in the city looking up old University friends.

Ex-Governor Nance visited the Historical society rooms last week.
