

GRIM BATTLE TO-DAY.

Freshmen and Seniors Will Fight It Out on Gridiron.

The inter-class championship will be decided on Nebraska field at 2 o'clock this afternoon. The game is between the two extremes of academic greatness, the Seniors and the Freshmen. The Seniors having won in their game with the Juniors, and the Freshmen in their game with the Sophs. It is a hard matter to pick the winners and everyone is expecting a very hard game. The class of '04 has maintained an enviable reputation in football during the entire four years of its University life. Aside from competing in every inter-class series the Seniors have met a number of outside teams and in all their games have never yet been scored on. They have met the Kearney Military Academy, Lincoln High School, Lincoln Academy, and teams representing the law classes. In all of these games they have either been victorious or no score has resulted.

Captain Myers, when questioned last night in regard to the probable outcome of the game, said:

"It is our last football game and we expect to play the game of our lives."

The Freshmen, just beginning on their University career, have their future all before them, but the Seniors think that by tonight the Freshies will have it all behind them. Much more interest is exhibited this year than ever before in inter-class football. Both teams today have their loyal partisans and the best of judges are expecting a close game.

Many are picking the Freshmen as winners because they have practically the whole scrub team, all of their men but one having held down a position on the Scrubs during some period of the present season. But the Seniors also have a large number of men who have learned the ways of football while bucking against the Varsity.

Myers, their captain and left half-back, has played the same position regularly on the second team during the past three years, and did most of the ground gaining against the Juniors, and it is expected that he will make his distance when given the ball today. Newton, at left tackle, has played the same position on the Scrubs for four years and has been their captain for the past two years. Hazen, the quarterback, made the trip to Minnesota as a Varsity sub last year, and is expected to play a good game. Pritchard, Waltman, Mouch, C. N. Walton and Melick have all played on the second team during some period of their college course.

Three of the Freshmen, Captain Stein, Drain and Bishop, were given a try-out on the Varsity the first of the year. Drain was the best ground gainer for the Freshmen in their game with the Sophomores, his end runs being the feature of the game. Against the Seniors he will have to go around Allen, who is an old York High School player, and a fast man.

The game begins at 2 o'clock. An admission of 10 cents will be charged, the gate receipts from all three games being turned over to the manager of the winning team to buy caps and jerseys for the champions.

The line-up will probably be as follows:

Seniors.	Freshmen.
Allen r. e.	Cramer
Pritchard r. t.	Stryker
Walton r. g.	Dork
Lewis c.	Haushouch
Vasey l. g.	Burns
Newton l. t.	Weller
Mouch l. e.	Galhoun
Hazen qb.	Bishop
MacDonald r. h.	Drain
Waltman fb.	Craig
Myers (Capt.) l. h.	Stein (Capt.)

The officials are the best the state affords: Coach Booth will referee the game; Ex-Captain Westover will be umpire and "Stub" Crandall headlinesman.

A GREAT SUCCESS.

County Fair Held With Very Favorable Results.

The great county fair was held in the Armory Saturday night and was a success in every sense of the word. Nothing was lacking that one expects to see at county fairs. There was the animal booth, containing all the animals known to Noah from the rat to the brass monkey. The elephant, too, was there. Next came the vegetable booth, under the direction of Secretary of Agriculture, Miss Beth Wallace, and here all of Nebraska's prize products were on exhibit. Then there was the fortune teller's tent, where by the dingy light of a smoky lantern Ida Taylor, the Gypsey maid, spread the cards and read into the mysterious future of the sad victims. The W. C. T. U. also occupied spacious quarters and with the special aid of Carrie Nation and the Woman's Suffrage League a thorough canvass in the interests of temperance was accomplished. Fake side shows were numerous and a good many rubes were taken in, including Josiah and Samantha Aiden, and not infrequently was the stalwart cop Chas. Sawyer, called upon to set them aright. The "Plantation Girls" were there in a body and the same boys and girls who for the first time in their lives saw a black nigger were almost frightened to death. The cake walk given by the "Plantation girls" would have been a great success had it not been broken up by Carrie Nation, and her hatchet, just when the "hilarity" was at its height.

Peanut and lemonade stands were numerous and were constantly surrounded by rubes and their girls in low necked attire. The baby show was alone worth the price of admission, and the skill with which Mother Goose (Corris Damon) successfully took care of fourteen babies would have been good instruction for any mother.

Thaddeus Bolton, the sporting man, and Mr. Pepperberg, the dude, added much to arouse the curiosity of the visitors. Coats' the acrobat, also was an important personage, and performed feats which knocked the breath out of more than one of the spectators. Later as the fair was drawing to a close and the lights began to be extinguished one by one, wares were disposed of at half-price and the lingering "farmer boys" spent their money freely.

To Miss Elsie Piper, chairman, and Misses Edholm, Whaley, Casey, Athen, Wilson, Stephen, Damon, Spears, Sly, and Travis, of the social committee, the success of the fair is largely due.

Just A Suggestion.

There is nothing that one can give as a Christmas present that is more appreciated than an artistic, life-like portrait.

Money spent in this way goes farther than in any other line. Think of this suggestion. See what we are producing and make an appointment for your sitting immediately.

will not harm your skin if you use BENZOIN CREAM regularly; and that is the proper way to use it. Why should you wait until your hands chap and your face roughens? It is always easier to prevent annoyances of this kind than to cure them. Better use Benzoine Cream now. It isn't greasy nor sticky, but it is pleasantly perfumed, readily absorbed. All headaches do not come from Summer's heat. Indigestion causes some, overwork others. Whatever the cause TRILBY TABLETS stop the ache. Try them. Tell your friends about them.
