Editorial Remarks

The Kansas and Missouri publications have been busy exchanging compliments at the expense of Nebraska, in a manner that is cheering to see. We like to see our two neighboring institutions united in such brotherly love, which even enables them to see good in each other.

The band, following in the footsteps of other University organizations, has contributed its share toward building up the Temple Fund. This is the second important action taken in behalf of the good cause within a week, and is on that account all the more encouraging.

The basket ball season has been formally opened, and we can expect to see the various teams busy from now on. The class teams will play a prominent part and will soon begin operations against each other.

The Senior and Freshman football teams have reached a conclusion as to the inter-class championship, and the

trophies of victory will be borne by the upperclassmen. The issue was settled in an unexpected manner and each of the teams may be proud of the fact that no actual touchdown was scored against it.

To Accomodate the Teachers.

A committee, headed by Mr. Weyer, is making a canvass of rooms to accommodate the teachers who will attend the meeting of the state association during the holidays.

Pershing Hop Tomorrow Night.

The Pershing Rifle Hop occurs Friday evening at the Lincoln hotel. Chairman Hewitt has set the time for dancing to begin at 9:30 and at that time it will begin.

Chancellor Andrews Will Speak.

Chancellor Andrews will address the big men's meeting Sunday afternoon at the Oliver. This announcement is arousing unusual interest and several student organizations are planning to attend in a body.

Just a Suggestion.

There is nothing that one can give as a Christmas present that is more appreciated than an artistic, life-like portrait.

Money spent in this way goes farther than in any other line. Think of this suggestion. See what we are producing and make an appointment for your sitting immediately.
