UNIVERSITY OF NEBRASKA, LINCOLN, SATURDAY, DECEMBER 12, 1903.

PRICE 3 CENTS

BENEDICT CAPTAIN

Skilful Ends Awarded Coveted Prize of Honor

The Athletic Board met yesterday morning and unsealed the envelopes which held the next year's football captaincy. After the ballots were counted Benedict was found to be in the lead. So three cheers for Benedict, the captain of a next year's championship team, and three cheers for Bender, the man who led the team to so many victories this year.

There were five men eligible for the position, but one man, Ringer, withdrew his name. The men were: Benedict, Bender, Bell, and Eager.

A man is eligible for this position when he can show 53 University credits, or in other words, is a full-fledged Junior. Benedict will be a Junior next year.

Each man who has earned an "N." during the year is entitled to a vote. The man who is elected must have played on the team two years.

The Athletic Board will meet again Monday night in regular session. The subject of a manager for the team next year will probably come up then.

The men who are to take part in the gymnastic contest Wednesday evening will meet Dr. Clapp at 10:30 this morning in the gymnasium. The Charter Day men are to meet from 2:30 to 3:30 and the basket ball men from 3:30 to 4:30 this afternoon.

Speaking of this gymnastic contest which is to be held Wednesday evening, we wish to say that it is to be something novel in the way of gymnasts for this University. The figures and exercises throughout will be new and interesting. The swinging of torches by Dr. Clapp should alone attract a crowd. The high diving and spring board work will be something spectacular. Dr. Clapp and the men have worked hard for this event and it is hoped that the students will show their appreciation of their efforts by coming out to the contest. It will be over in plenty of time for all those wishing to go to the Cornhuskers' Informal to do so. The performance begins promptly at 8 o'clock, no admission will be charged.

The basket ball season is to be opened next Tuesday evening with a double header. The first team plays the Wesleyan first team and the faculty team plays the Wesleyan faculty team. The games begin promptly at 8 o'clock in the gymnasium. The admission for both the games is 25 cents.

The Wesleyan people are going to turn out in full force to support their team. Let Nebraska do the same, and send the season off with a good rousing start.

The Wesleyan team is a strong one, and has had a much longer time to practice than ours and will give our team all they want. The playing against the Law students of this team was not a fair example of their work.

Our team is in good shape and ready to open their work. They will line up at the beginning as follows:

Elliott, captain, Hagensick forwards, Benedict, center.

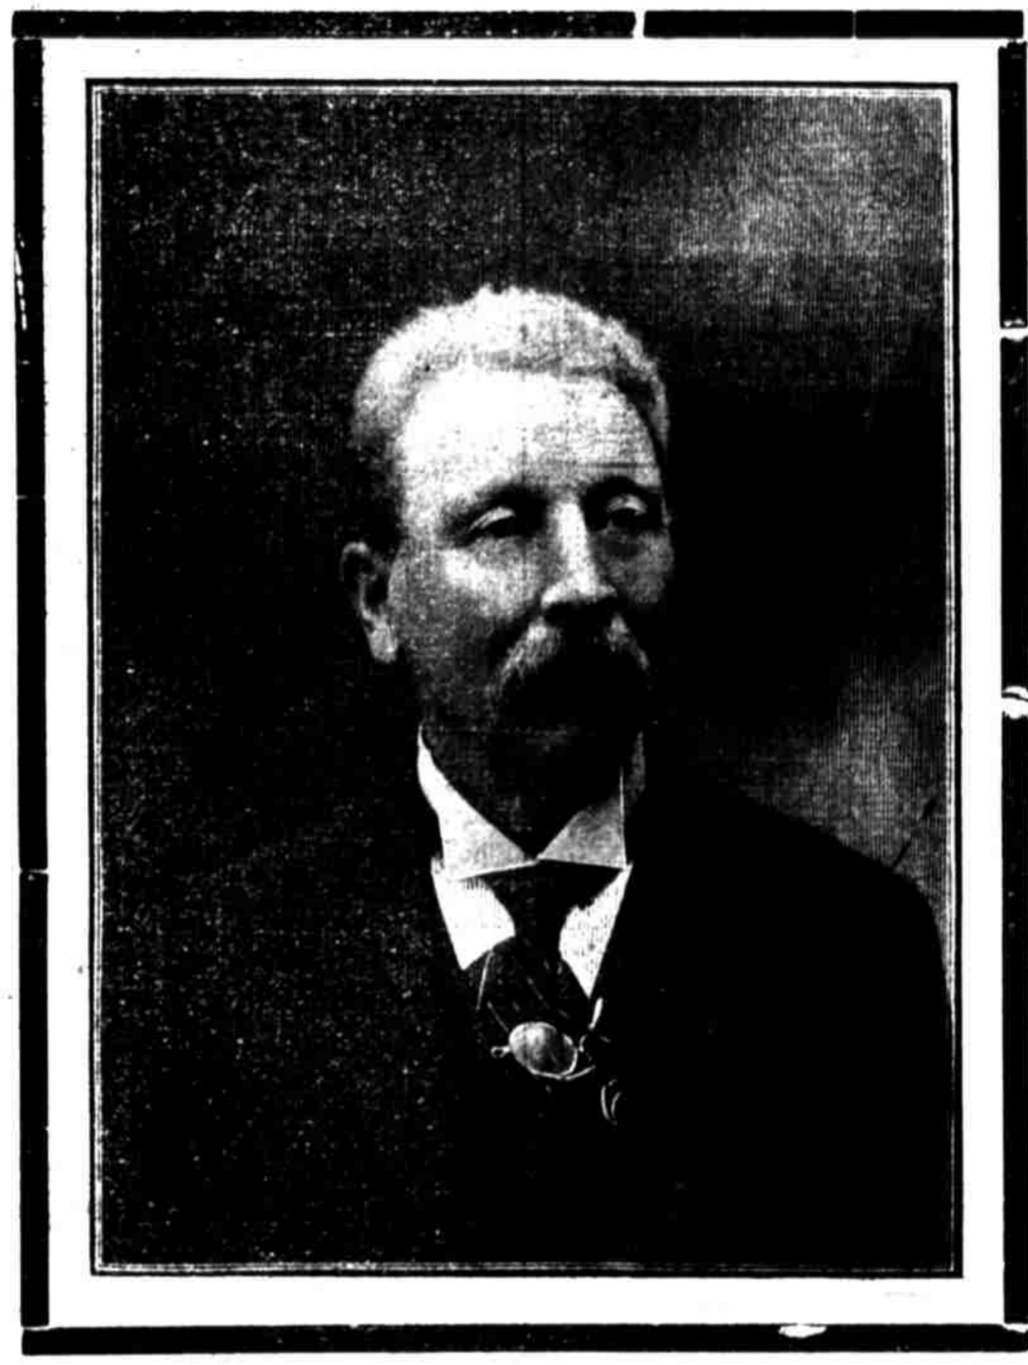

Hoar and Beers, guards

During the game these different men will probably be tried: Miller, Noise, Ludden, Craig, Matterson, Tyner.

The faculty team has been working hard and will put up a good stiff game. Their team will be chosen from the following men: Drs. Condra, Clemens, Wolcott; Profs. Congdon, Willard, Emerson and Dorman.

Dr. Clemens has been chosen captain and Professor Willard, manager. No one can afford to miss these games, as they will be both of the A-No.-1 order. Turn out, everyone, and fill the gymnasium to overflowing and prove that athletics as such, not merely football, will receive the support of the student body.

Wright Drug Co., 117 No. 11th.

DR. AUGUST H. EDGREN.

Who was formerly a beloved member of our faculty, and whose memory we will all ever cherish with reverent affection and esteem.

FUND STILL GROWS

Half of the Required Amount of Temple Fund Secured.

The committee on the Temple Fund has some very gratifying news to report this week to the effect that at least half of the required amount has now been pledged and the outlook for raising the fund is most promising. University societies have been very liberal in their pledges and Lincoln people have taken the matter up in a way that is very encouraging to the committee. They are just beginning to feel in earnest the need of such a building in this city, which means that they will have it. Moreover the matter has been presented to Nebraska citizens in different parts of the state, and when the situation is once really appreciated through the state it is believed the matter can soon be brought to a close. Certainly this is a worthy cause and one that must appeal to all good citizens. Now that over half of the required amount has been subscribed the committee will be increasing their efforts to get the remainder of the fund. Let every one interested and all should be, lend all possible assistance to the committee and not wait to be asked to contribute, but do it voluntarily. This is the proper spirit to help along a good undertaking.

Music at Convocation.

Chapel was crowded yesterday with an appreciative audience, when Mrs. Brooks gave her recital during the convocation period. The program consisted of seven numbers, each of which was received enthusiastically. The numbers were:

1. Since First I met Thee.
2. A Song of Spring.
3. Oh, That we Two Were Maying.
4. Nymphs and Shepherd.
5. Hindoo Song.
6. Until You Came.
7. The Spring Has Come.

Mrs. Brooks has a beautiful clear soprano voice, and although she was suffering to some extent from a cold her rendition was not hindered appreciably. Mrs. Raymond occupied the piano and added greatly to the excellency of the program.

Academy Teams To Play.

Tomorrow evening the two Academy basket ball teams will contest for supremacy in the city Y. W. C. A. gymnasium. Much rivalry exists between the two teams and each is desirous of the pleasure of vanquishing the other. They will play in the presence of a number of invited guests, and expect to furnish plenty of entertainment. The game will be played between the hours of 7 to 8 p. m., and from what we hear, will be a hard-fought contest.

Arthur Edgren Departs Today.

Arthur Edgren leaves this evening at 6 o'clock over the Burlington for his home in Sweden. A number of his friends will be at the depot to bid him farewell and God speed on his long, sad journey. It is not likely that he will return, and it is to be regretted that his parting with his friends and associations at our University should be marked by such a sad event. The sincere sympathy of all University people, as well as his many friends, are with him in his long trial of affliction.

Chris' Bath Parlors, 11th and P Sts.

Sam's Cafe. The only place in the city to get the famous "Little Gem Hot Waffles." Special service for ladies.

Hop a Success.

The Pershing Rifle Hop, the first real University social function of the year was held last night at the Lincoln hotel.

The dancing room was prettily transformed into a dancing hall by flags, Pershing shields, rifles, bayonets and palms and the promenades were made attractive and inviting by palms and "Tommy," with his punch bowl, so essential to the complete enjoyment of the evening. Dancing was begun at 9:30. There was not the usual shortening of dances at the end, and Eddie Walt's music was enjoyed to the fullest.

L. P. Hewitt, chairman, and A. H. Lundin, master of ceremonies, are to be congratulated upon the success of the affair.

Prof. Dann Gives Lecture.

Professor Dann gave an illustrated lecture on Italian Art at the College Settlement building, Thursday evening, December 10, 1903, to a fair sized audience. Friday evening there will be moving pictures for children only. The next Thursday evening meeting will be addressed by Mr. Bennet on "Non-Partisan City Government."

UNIVERSITY DAY

Mass Meeting of University Men Tomorrow in the Oliver.

A mass meeting of unusual interest to every man in the University of Nebraska will be held next Sunday afternoon at 4 o'clock in the Oliver theatre. Chancellor Andrews will deliver the address of the afternoon, his subject being, "The Claims of the Church." The chancellor needs no introduction to college men, all of whom have come to realize that when he speaks he says something worth hearing. H. J. W. Seamark, well known in Lincoln musical circles, will furnish the music, and a treat is assured.

In planning to make this a thorough University Day, it has been decided by several of the fraternities and literary organizations to attend this meeting en masse, and in consequence, a large section of the lower floor of the opera house has been reserved. Let everyone get his organization in line, and besides getting the individual benefit from the meetin, show his admiration and loyalty to Chancellor Andrews. Doors open promptly at 3:45 p. m.
