Late Society Notes

Delta Tau Delta gave a Christmas party Thursday evening at the chapter house.

Pi Beta Phi gave an informal spread at the chapter house last night.

The Thetas and Kappas will have their customary Christmas trees Thursday evening at their chapter houses.

The Pi Phi's gave a china shower last night for Miss Darlene Woodward, whose marriage to Mr. George Burgert of Kearney, will occur Christmas Eve. Mr. Burgert is a member of Sigma Chi and a U. of N., ex-'98.

There will be a meeting of the Junior Prom. committee in U. 111, at 10 a. m. Wednesday. Important business is to be transacted and Chairman Lundin desires the members below named to be present without fail:

J. W. Hoar, Olive States, John Bender, Ray Gould, Ned Loomis, Julia Deeweese, R. S. Campbell, R. E. Dumont, Alice Towne, Edna Holland, H. W. Conkling, Edna Spears, Orin Mather, Lulu Losch, Martha Woods, Leon Pepperberg, Frank Beers, Daughters, C. B. Cornell.

Academy Notes.

The editors and reporters of the Academy News had a meeting Monday morning at 10 o'clock to plan the next issue of the paper, which will appear about January 11th. Cordial greetings are being received from other school journals, with a large number of exchange offers, for which arrangements have been made.

Late Friday evening the debating club organized with H. G. Myers as president; O. J. Shaw, vice president; H. M. Scott, secretary, and A. H. Miller, treasurer. The men will have their next session on the Friday evening following the vacation. All Academy men not members are cordially invited to join. The club starts with enthusiasm. Messrs. Dunaway, Smith and Scott were elected to revise the constitution. The next debate will be on the question of national and state aid for good roads.

Last Saturday invited guests witnessed the game between the two girls' basket ball teams at the city Y. W. C. A. gymnasium.

The cold weather kept some away, but the evening was greatly enjoyed by those present. The young women put up a good game considering the fact that Miss Nellie Dean had had but a few weeks to coach them. Although most of the girls are small the visitors felt that there was material there for a winning team against almost any high school in the state.

A cute little box has been placed on the office desk for news items for The Nebraskan, Star and Academy News. It is being used by the students, to the great relief of the principal, who often does not hear of events in time. In this connection his negligence of reporting the last meeting of the Social Hour club deserves censure. A delightful program, literary and musical, was followed by light refreshments, furnished by a committee of young women. The credit for this pleasant afternoon will be probably given when once the writer can secure the facts.

Homer Martyn, a part Academy student was forced to return to his home in Columbus, Neb., through sickness. Mr. T. J. Porter left yesterday for his home, Stewartville, Mo., in the hope that he may ward off a threatened attack of rheumatism. Mr. George Scott of Columbus, Neb., has again been sick. He left for home Monday. Mr. Paul Dihel of Rising City, Neb., on account of rheumatism, left for home yesterday.

An unusually amount of sickness has occurred among the young men of the school this semester. All regret the absence of these men, and hope the vacation rest will restore them to their accustomed physical condition.

Miller & Paine

Y. W. C. A. Notes.

A most inspiring Xmas service was held Sunday. The attendance was much larger than that of any Sunday meeting this year. Fourteen new members were welcomed into the association, making in all eighty-five members who have joined the association this semester. The next service will be held the tenth of January. Dr. Swearingen of the First Presbyterian church, will address the meeting, and his wife will sing.

The Y. W. C. A. Temple Fund pledges reach about \$700 at present. How do the Y. M. C. A.'s stand.

Just a Suggestion.

There is nothing that one can give as a Christmas present that is more appreciated than an artistic, life-like portrait.

Money spent in this way goes farther than in any other line. Think of this suggestion. See what we are producing and make an appointment for your sitting immediately.
