Late Society Notes

Last evening Miss Edith Haecker and Elliot V. Graves were united in marriage at Holy Trinity Episcopal church. The bride was attended by her sister, Maude Haecker, and Misses Margaret and Gertrude Graves, sisters of the groom. Mr. Gaylord Bennett attended the groom. Rev. F. D. Graves of Ord, and Rev. B. J. Fitz of St. Luke's Episcopal church, officiated. The ushers were Messrs. Clifford Crooks, Fred Winnyre, Edward Quillan and Ralph Miner. After the ceremony a reception was held at the Sigma Alpha Epsilon house, after which the newly wedded couple departed for Kansas City on their honeymoon.

Both of the contracting parties are of prominent families, the bride being the daughter of J. C. Haecker, a prominent citizen of South Auburn, and the groom is the son of Bishop Graves of the Diocese of the Platte. Mr. Graves is one of the leading athletes of the University and a member of Sigma Alpha Epsilon fraternity. The bride is one of the handsomest and most popular young ladies of the University. Their many friends unite in extending to them their best wishes for a happy journey through life.

Kappa Kappa Gamma will hold initiation tomorrow, when they receive in membership Misses Minnie Gardner of Auburn, Lucy Van Horn of Pawnee, and Lola Southwick.

CHANCE FOR WOMEN

Scholarship Offered by Baltimore Association.

The Baltimore Association for the promotion of the University Education of Women is prepared to offer a fellowship of the value of \$500 for the year 1904-1905.

This fellowship will be available for work at either an American or a foreign university.

Preference will be given in the award of this fellowship to women from Maryland and the south.

Applications will be received by the chairman or any member of the committee of award, and should be presented before March 20.

It has been decided to require from candidates evidences of ability and fitness as specified in the circular of the Association of Collegiate Alumnae, as follows:

"The fellowship will be awarded only to candidates who give promise of distinction in the subjects to which they devote themselves. It will be the aim of the committee to appoint the candidate who is best fitted for the position through original gifts, previous training, energy, power of endurance and health. To this end they will receive applications in writing from eligible candidates, who will present as clearly as possible, their claims to the fellowship. A competitive examination will not be held, but the bestowal of the fellowship will be based upon proof of success in her chosen line of study. Such evidence will naturally consist of (a) her college diploma, (b) testimonials as to superior ability and high character from her professors and other qualified judges, (c) satisfactory evidence of thoroughly good health, (d) a statement of the work in which she proposes to engage subsequently, (e) last, and of chief importance, examples of her scientific or literary work in the form of papers or articles, or accounts of scientific investigations which she has carried out. Preference will be given, other things being equal, to graduates of not more than five years' standing."

This fellowship may, in exceptional instances, be held for two successive years by the same person.

Blank forms for application may be obtained from Miss McLane, 1101 N. Charles St., or from any member of the committee on award.

Following is the committee: Dr. Mary Sherwood, Chairman, the Arundel.
