VOL. III. NO. 111

UNIVERSITY OF NEBRASKA, LINCOLN, TUESDAY MARCH 22, 1904.

PRICE 3 CENTS

STATEMENT.

Since the Saturday issue of The Neerrors in statement in facts occurred in the article "Pertaining to Athletics" in that issue.

footballs were paid for during the past season and not sixty-five as stated in The Nebraskan.

Again, the statement was made that \$3.00 per week for each man ought to meet all training table expenses.

Those who have had experience in the conduct of athletic training tables here and elsewhere say that the figure named above is impossible, and we find that the amount spent for training table during the past season is less than was spent during the season of 1902 and is not unreasonable or excessive. We greatly regret that in the article referred to The Nebraskan has given publicity to the misstatements here corrected.

BASEBALL RULES.

Fraternity League Passes Rules The Hack Question from a Co-Ed's to Govern Its Games.

RULE III.

Section 1. Any team not appearing within 30 minutes of the time decided upon shall forfeit the game by a score of 9 to 0.

Sec. 2. If for any reason it is necessary the game may be postponed by the consent of the two captains, RULE IV.

The length of the game shall be from to 7 innings, to be determined by the captains.

RULE V.

The captains of the two contesting teams shall decide before hand on an umpire, who shall have absolute control of the game and players during the game.

RULE VI.

Theta ... Beta Theta

The games shall be played under the rules of the National League.

lowa Debate.

The lowa debate is in imminent danger of being declared off. Although braskan the editor has learned that two the matter will not be actually settled until lowa can be heard from, the present prospects for the meeting are unpromising. The condition is chiefly on account of the difficulty in arrang-The books of the financial secretary ing a date suitable to both sides. Our of the Athletic Board show that eleven dates with Kansas and . Washington are being arranged to come off early in May, thus precluding the conflict during this time. The occurrence of the semester's examination during the latter part of that month renders in almost an impossibility then. The refusal of Iowa to extend the compact for longer than the present year makes our board a little hesitant about falling over themselves to meet lowa.

Staff Banqueted.

Saturday evening the management of The Nebraskan entertained the members of the editorial staff and other persons prominent in its make-up. The banquet was held at Sam Westerfields popular cafe, and Mr. Westerfield did himself proud for the occasion. An elaborate menu was served with all the care that has made Sam's Cafe a The following toasts were success. responded to:

BETAS WIN FIRST CONTEST.

The first of the Inter-Fraternity series of baseball games was played Saturday on the University campus, when the Beta's defeated the Sigma Alpha's by a decisive score. The game was replete with errors and showed lack of proper practice. Robertson, for the Sigma's did good work, but was handicapped by lack of support.

The score by innings:

Sigma 2 0 2 0 2 1 0-7 5 Struck Out-By Robertson, 9; by Stene, 5; by Dort, 2.

Three Base Hit-Dort, 2; Peters. Batteries-Stene, Dort and Culbertson;-Robertson and Heilman.

Umpire-Beltzer,

Lincoln Transfer Co. Baggage 'Phone 176.

SCHEDULE SHAKEN

Changes Made in Places and Dates of Baseball Games.

Manager Bell has been forced to shake his baseball schedule up a little and has added a couple of games to arms. one number to be played on the eastern trip. This addition has been necessitated by the low guarantees which the eastern colleges offer, and by the fact that as yet no game has been arranged for May 2. The game with Grinnel scheduled for home grounds, has been changed to Grinnell, and a contest with Creighton has been substituted. The latter team insisted on playing two games or none. The game scheduled with Drake has been changed to the morning, and Highland Park will be played in the afternoon of the same day.

Another morning game will probbly be played with Bellevue in Omaha on the road home from Illinois.

Wet grounds have prevented the men from practicing for the last ten days with the exception of Friday and Saturday. Since it is only two weeks until the series with Omaha, it has been decided necessary to get in all the hard work possible in that time, and consequently the men have agreed to stay here during the easter vacation in order that we will have a good team with which to skin the Omahogs.

Tomorrow night occurs the second gymnastic contest, at which the new title of "University Gymnast" will be granted, together with the privilege of nificant movements among young peowearing the University "N". Besides the regular contests there will some exhibition, of which the best will be some pyramid formations by a select squad. Dr. Clapp promises that this will be the best exhibition of pyramids ever seen here. Silver cups will be given to the winners of first and second places in each event and the total number of points won by each man in the two contests will decide the man to wear the "N." The events at the last contest were horizontal bar, parallel bars, and tumbling. The three leading men were Milek with 2291 points, Pipal with 217, and Baker with 190. Following is the program:

Side horse contest. Tumbling exhibition.

Long horse contest.

Fancy club swinging by Dr. Clapp Flying rings contest.

Pyramids

Entries including name and event, must be in Dr. Clapp's hands before six o'clock this evening.

Last Saturday's Minnesota Daily announced that the Athletic Board of that institution at its last meeting authorized the holding of a track meet with Nebraska, to come off in Lincoln some time during the latter part of next may. While our athletic authorities here have received no official coufirmation of this article, its truth from such a source can not, of course, be doubted. The meet will probably be held about the 21st.

Rose, the Michigan Freshman, who broke the American record for putting the 16-lb, shot a week ago, added another record to his assortment last Saturday when he smashed the world's recording for putting the 12-lb. shot by over a foot.

In the inter-fraternity bowling contest at Illinois the championship was won by Kappa Sigma, with Alpha Tau Omega second.

Sopnomore Meeting.

The Sophs held a meeting in chapel yesterday morning. Barely a quorum was present, but business of some importance was conducted. Miss Martha Cline was elected class treasurer. and ex-President Steen sergeant-at-

President announced the following committees:

Base Ball-F. C. Builta, chairman; Messrs, Caley, Adams, Dvorak, Skeen. Executive Committee-J. L. Graham, chairman: Messrs. Deny and Grubb.

A committee was also appointed to mather from past class secretaries all past minutes and papers of the class as well as to guard the sacred constitution. The committee was as follows

Mason Wheeler, chairman; Messrs, Pollock and Moore.

Clement Waldron resigned from the chairmanship of the Temple Fund committee and Mr. Grubb was appointed in his place. The Temple Fund was discussion at some length, but no definite action taken in regard to it.

Y. W. C. A. Notes.

In spite of the rain Sunday afternoon the union missionary meeting of the Y. W. C. A. and Y. M. C. A. was well attended. About sixty young men and women were present. The Student Volunteers from the two associations told in a few inspiring words their reasons for volunteering. The Student Volunteer movement is one of the most sigple of today. It means that the best and brightest of our young people are educating themselves with the definit purpose of entering the foreign missionary work. The Volunteers now in the University are Miss Shinbur, Miss Totten, Miss Reynoldson, Miss Berg and Miss Giffeths; Mr. Moore, Mr. Harrison, Mr. Billings, Mr. Coats and Mr. Witte. Miss Withers led the meeting and Mr. Hutton sang"Lead, Kindly Light," as the closing part of the program.

The first of the series of noon meetings to be led by Monument Y. M. C. A. workers was led Monday noon by Mr. T. Bates. About sixty girls were present and the meeting was a very bright and interesting one. Mr. Bates gave a short helpful talk on "True Worship."

Don't forget the business meeting Tuesday at 5 p. m., in U. 106. Reports of the year's work will be given by the retiring officers and chairmen. Of course every member of the Y. W. C. A. will make it a point to be present, and every other young woman in the University and all the faculty ladies are most cordially invited.

Mr. d'Allemand of the class in plant pathology is making a study of the diseases of the cottonwood tree, and just now is at work on a curious one which was sent from Nehawka by Igaac Pollard, the well known veteran apple grower. This particular disease is one of the most interesting yet found by any member of the class.

RADIUM-RADIUM-RADIUM.

Amateur Photographers, Mineral Collectors. See for yourself the wonders of radium. Take your own radiographs. For \$2 I send a piece of uranium ore (pitchblende) containing radium and guaranteed to make radiographs. Full printed directions. Valuable also to mineral collectors.
