Base Ball Men Get Good Practice—Indians Tomorrow.

The first team is getting into excellent condition for the Indian games Friday and Saturday of this week. Every man is playing in fine form. The infielders are doing great work on grounders, while the outfielders take in everything that comes their way. All of the men handle the stick in good shape. Tomorrow the team comes out in their new suits. They will have their picture taken just before the game, and will be feeling right to put up an excellent game. The city has been well advertised with posters and bills and considerable enthusiasm has been developed down town so that a large crowd is expected out to see the games. Sam Hall has fixed up an Indian window. Everyone should come out tomorrow and see the first big game of the season. This is the only aggregation of Indians traveling in Nebraska this year, and is a fast bunch.

The Phi Gams and Alpha Taus crossed bats yesterday afternoon in a battle full of noise and swift ball playing. The Fiji's got a good start and kept the lead throughout the game, winning by a score of 8 to 1. Both sides did some good work. Miller and Shallenberger led in the batting, and both hit several nice ones. The score would have been closer only some costly errors were counted against the A. T.'s, which gave their opponents a number of scores. Hardman, and Johnson and Sprague, were the battery for the A. T. O.'s, and Leffler and Miller for the Phi Gams.

Score by innings:
P. G. D. 3 0 3 0 2—8
A. T. O. 0 1 0 0 0—1

The tennis courts are in good shape now and the nets have been put up. New men are coming out and practice is going on steadily. All new men are reminded that they should see Secretary Tyner before they can play. Also all of the men are requested to wear tennis shoes. The period from 4:30 to 6 o'clock has been set aside for the faculty members of the association to indulge themselves in the work. Other members are requested to arrange their hour so as not to conflict with this time.

Dr. Clapp received a letter yesterday from Professor Whittemore of the University of South Dakota. Professor Whittemore desires information concerning the use, management and size of our gymnasium for use in planning the new "gym" for South Dakota.
