

The Daily Nebraskan

VOL. III. NO. 128.

UNIVERSITY OF NEBRASKA, LINCOLN, TUESDAY APRIL 19, 1904.

PRICE 3 CENTS

TO TRY OUT TODAY

Preliminary Track Meet This Afternoon—Saturday's Game.

The preliminary track team contests will start at 3:30 this afternoon, and a good crowd should be out to witness them. Although the fence on the south side is down, an admission of 10 cents will be charged, which is necessary in paying for advertising and for supplying the men with outfits. The men have been working hard for some time and a very good meet is expected. Let everybody come out and encourage the men, for they have a hard schedule this year. The men who are entered are as follows:

100 yards—Burg, Bender, Bowman, Driscoll, Fenlon, Smith, Neider, Craig.
220 yards—Gibson, Mouck, Burg, Bender, Bowman, Driscoll, Fenlon, Smith, Neider, Craig.
440 yards—Gibson, Smith, Anthis, Hewitt, Meier, Mouck.
120 hurdles—Hagensick, Houser, Edgerton, Mouck, Gibson.
220 hurdles—Hagensick, Houser, Edgerton, Mouck, Gibson.
Broad jump—Bowman, Meier, Morse, Hewitt, Hagensick, Hoar, Anthis, Newton, Craig.
High jump—Hagensick, Anthis, Edgerton, Bowman.
Hammer throw—Martin, Weller.
Hunter, Peterson, Kille, Briggs.
Shot put—Martin, Newton, Weller, Hunter, Peterson, Kille.
Discus—Martin, Newton, Weller, Hunter, Peterson, Kille.
Pole vault—Hagensick, Gibson, Driscoll, Morse.
One mile—Penrod, Searles, Winchester, Roberts, Havens, Sampson, Moore, Pitchford.
Two mile—Penrod, Searles, Winchester, Roberts, Havens, Sampson, Moore, Pitchford.
Half mile—Penrod, Searles, Winchester, Roberts, Havens, Sampson, Moore, Pitchford.

Last Saturday the Nebraska team won their second game from the Nebraska Indians by a score of 7 to 1. It was a pretty game throughout and all the scoring was done in three innings.

Of Nebraska's score of seven runs, two were earned. In the third inning Bender made a three-bagger and scored on an error by Frazee. Townsend next lined out a fly which was missed, and was brought in by a three-base-hit by Miller. Fenlon then knocked a fly into right field and scored Miller. Score, 4 to 0.

In the seventh Bender got to first on an error and Steen lined the ball into left field, scoring Bender. Then, to show Tobey he was still in the game, Townsend knocked a home run into left field, scoring two points.

The Indians' score came in the sixth when Ketchum made a hit into center, stole second and was brought in on Bond's two-base hit.

Fast ball was played throughout, and with the exception of the third and seventh innings, was almost errorless.

For Nebraska all the players put up a star game. Adams pitched a good game and although the visitors got eight hits off of him, he kept them so well scattered that they were ineffective.

Fenlon's fielding in left was superb, making four catches without an error.

In the first half of the seventh Nebraska made a pretty double play. The ball was knocked to Adams, who threw it to Steen, making Frazee out, and then catching Tabescshick between first and second.

Home run—Townsend.
Bats on balls—Off Adams, 2; off Tobey, 1.
Struck out—By Adams, 4; by Tobey, 6.
Umpire—Maloney.

ORGANIZATION PERFECTED

New Debating League a Reality. Officers Elected.

The former members of the three debating clubs met Saturday evening and made the Debating League a permanent organization. A constitution was adopted article by article, and was signed by the greater part of the members present. J. M. Paul was elected president; D. P. De Young, vice president; P. F. O'Gara, secretary; L. O. Pfeiffer, treasurer; E. J. Lamb, sergeant-at-arms. After the special meeting good debate took place. The question was "Resolved, That the Fifteenth amendment should be repealed."

The new league is starting out with enthusiasm, which we hope will not suffer any check. The organization should be strong, and it has an opportunity to make its presence felt and do good work. Its function is to keep its members posted on current events and to train them in the discussion of important questions, and such an organization ought to be sure of success.

Engraved copper plate and 100 visiting cards, latest style and size, for \$1.00, at the Lincoln Book Store. Printing 100 cards from your own plate, 75c.

Another lot of spring suitings, worth from \$35.00 to \$45.00. Your choice, \$30.00. Bumstead, 120 No. 12th.

Box of cigars given away every day at Powell's Oliver theatre building.

Try an "ice cream soda" or a "nut sundae" at Maxwell's. 13th & N.

Law Team Beaten at Havelock.

The law team went down to defeat at the hands of the yard men at Havelock last Saturday afternoon, in a game in which nothing was so startling as the errors made by both sides. The Havelock men are just organizing for the season and being a strong aggregation, the law boys were furnished an interesting game. Up to the fifth inning the lawyers had the lead, but in that fatal inning the Havelock men landed on the ball for six runs, and they repeated the performance in the next. Towne of Havelock precipitated matters by knocking a home-run, which he is said to have done with a malice aforethought and with intent to do great harm to the law boys' chances. Towne, Shannon and Johnson were the Havelock battery and Bagley, Chase and Culbertson did the trick for the laws. Score by innings: Havelock 1 0 0 6 6 1 0 *—15
Law Team 1 4 1 0 0 3 1 1 0—11

Dr. Greene Could Not Be Present

News was received late Sunday morning that Dr. Greene could not address the men's meeting in the afternoon as scheduled, on account of the sudden death of his mother. Fully four hundred men had assembled to hear Dr. Greene, but they were not wholly disappointed, for through the kindness of well known musicians the following program was rendered:

Baritone Solo—"New Kingdom," H. E. Bradford.
Organ Solo—Mrs. C. B. Raymond.
Baritone Solo—"Jesus Only," C. W. Tullys.
Organ Solo—Mrs. C. B. Raymond.
Vocal Solo—"Love Watches Over All," C. W. Tullys.
Trombone Solo—"Last Night," C. B. Cornell.
Organ Solo—Mrs. C. B. Raymond.
Accompanists were Miss Vera Upton and Roy E. Cochran.

Dr. Stein at Chapel Tomorrow.

Dr. F. S. Stein, of this city, will speak at convocation on Wednesday of this week. His subject will be, "A Phase of Lincoln's Character." This is a timely subject, as last Friday, April 15, was the anniversary of Lincoln's death. Dr. Stein prepared this address for use on another occasion and has kindly consented to repeat the chief parts of it for the benefit of our students. This promises to be one of the best talks we have had during the year and it is to be hoped that it will not be delivered to empty chairs. Dr. Stein is one of the staunchest friends this university has anywhere, and the students and faculty should give him a warm welcome.

CONDEMN ACTION

Sophs Declare Against Freshmen Wearing Class Caps.

The sophs met yesterday morning at 10 o'clock in U 107 and held a meeting which may ultimately result in considerable excitement on the campus. While several important matters were attended to, the "paramount issue" of the meeting was the question of freshman caps. The sophs were unanimous in deciding that no first-year insignia should be permitted on the campus. Several soul-stirring speeches were made by various members of the class and definite action was determined upon for protecting the ancient customs and traditions of the university from "desecration." The Red Cross society has requested, in the name of humanity, that we desist from publishing the details of this action, but it was of such a nature as to insure much bloodshed if the intentions of the freshmen are carried out.

The meeting was opened by a call for reports from various committees. Chairman F. C. Buita reported that the baseball committee had taken action leading to the formation of a sophomore baseball team. Mason Wheeler, chairman of the special committee for the Preservation of the Prehistoric Remains of the Class Constitution, reported that special expeditions are being fitted out for collecting the remnants of that hallowed document. A committee was appointed to arrange for the annual Sophomore party.

The meeting then indulged in voicing its resentment of the Freshmen's action in adopting class caps. Mr. A. G. Schreiber and Cy Mason took a leading part in the deliberations, and their remarks were greeted with considerable applause. Official action against the Freshmen was decided upon, the nature of which future developments will disclose. The utmost enthusiasm prevailed and the class was united in supporting the opposition to the Freshmen.

Cy Mason was appointed manager of the Soph track teams to compete in the interclass meet on April 30.

Plans on the Chem Lab Ready.

The plans for enlarging and remodeling the chemical building have been completed and the work will soon begin that it may be completed before September 1st. Various changes and additions will be made; the lecture rooms will be located in the basement, the quantitative laboratory will be the disbursing room, the stairway will be in the center of the hall and on either side will be weighing rooms for forty balances. Thus in every way possible changes will be made to gain more room. A ventilating system will be inaugurated and electric power will be installed for running grinders and crushers.

"Our new building will be an example of a modern chemistry building," says Professor Nicholson, "and will fill a long-needed want of the university."

Seniors Discuss Business.

The seniors met in U 106 yesterday morning. The committee on invitations submitted a number of designs for the consideration of the class, but no definite action was taken. After considerable debate it was decided that a charge of 50 and 35 cents be made for seats at the senior play. To bear the expenses of the play a committee has been appointed to collect \$2 from each member of the class, for which receipts will be issued to entitle the holder to four 50-cent tickets. The class adjourned to meet next Friday at 1 o'clock to take up the unfinished, and a number of urgent, business matters.

GIRLS' BASKET BALL
