Mr. Frank M. Sherman, a former student of the University, rendered a scene from "Hamlet," and also one from "Ingomar" at a recital given by the Nebraska School of Oratory and Dramatic Art last Wednesday. Mr. Sherman assisted by Miss Virginia McReynolds, repeated the scene from "Ingomar," before the Union Literary society last Friday evening. The masterful way in which he handled his part in both of these productions was a revelation even to the most critical of his audience, and the skill, talent and artistic interpretation that he displayed made a striking impression upon all. Mention should also be made of the work of Miss McReynolds, which was exceedingly good.
