PRICE 3 CENTS

MEET WITH L. H. S.

Track Contest with High School Boys This Afternoon.

The annual track meet with the Lincoln High School, postponed from Monday, will take place this afternoon at the F. & M. park. In spite of the gloomy weather that has prevailed our athletes have lost none of their vigor and speed, and the contest this afternoon ought to show them to good advantage. The high school boys are always strong in track work and are in the habit of springing surprises in this line. Track work is a department that can be developed here and deserves to be encouraged, and University people should be out this afternoon and show their men that they are well backed up. The events will begin at 3 p. m., the program being as follows:

- 100 yard dash.
- 220 yard dash.
- 440 yard run.
- 120 yard hurdles.
- 220 yard hurdles.
- Half-mile run.
- One mile run.
- Pole vault.
- High jump.
- Broad jump.
- Hammer throw.
- Discus throw.
- Shot put.

There will be three or four men in each event. They are all showing up well and are in good condition for this meet.

The interclass meet will have to be held at F. & M. park because our field will not be in condition for use by that time. A fence is going to be built across the campus. H. States was appointed captain of the Junior track team, and Hoar manager. It is in order for the other classes to get their officers and create as much competition as possible. It would be a good idea for each class president to appoint a leader for a rooting squad to cheer on their own class contestants for it will be quite an honor to the class winning the cup.

The rules governing the meet shall be as follows:

1. No class shall enter more than four men in any event.
 2. Points—First, 5; second, 3; third, 1. In relay races the same.
 3. The A. A. U. rules shall govern in the contests.
- In case of a tie the cup will be given to the class winning the greatest number of firsts.
- In the relay races will be a good place to show your class spirit.

The Nebraska baseball team was unable to play Grinnell Monday on account of wet grounds, but are going to play them on their return on May 5, which date Lombard cancelled with us. Only optimistic reports have been heard from Minnesota. They have a very strong team and a good game is expected next Thursday. They consider Nebraska a strong team, and are getting in shape as fast as they can. Two years ago Nebraska beat them by a score of 4 to 3, when Sam Letherby twirled the ball.

Today Nebraska meets Luther at Decorah. This game has always been a comparatively easy proposition for Nebraska on her eastern trip, and although no reports have been forthcoming regarding the strength of that team this year, it is quite safe to predict that Nebraska will depart with victory perched on her banners. Friday Nebraska meets Beloit, which team has already defeated Chicago, hence if Nebraska defeats Beloit her chances with Chicago may be reckoned upon—at least upon paper. Chicago has had a selfish habit of doling out defeats to us whenever we came her way. It is

to be hoped this year we can oblige her to be more generous.

The team will spend Sunday at South Bend, Ind., a very desirable stopping place. Monday they meet Notre Dame.

Next day, returning to Chicago, the team will start on its return trip, playing Knox at Galesburg, and as has already been stated, at Grinnell on May 5.

Engineers Banquet.

The annual banquet of the Engineering society, which took place at the Lindell hotel Saturday evening, was the largest in the history of engineering at the University. The plates were laid in the dining room, the ordinary being too small to accommodate the banqueters. After the nine courses the following toasts were responded to, J. B. Davidson being the toastmaster:

- "The First Born Impulse," Jas. A. Green.
- "In Changing Wind and Weather," R. H. White.
- "Sunshine of Days Gone By," H. R. Edwards.
- "Castles in the Mist," L. W. Chase.
- "With Each Encircling Year," Verne Hedge.
- "When Fades at Last Our College Days," Russel Harris and Norton Ware.
- "The True Knight of Learning," J. B. Gibbs.

The members of the faculty and the old graduates were called upon to say a few words. Some of the jokes and stories that were sprung will never be forgotten by those present.

No doubt the annual banquet will be looked forward to more and more as one of the leading events of the year.

Senior Girls Program.

An excellent program was given by the Senior class during convocation period yesterday morning, which was rendered as follows, President Borg presiding:

- Devotional exercises, B. G. Lewis.
- Vocal solo, Mable Stephen.
- Reading, Mildred Clark.
- Piano solo, Henrietta Rees.
- Vocal solo, H. E. Bradford.
- Reading, May Edholm.

Both music and readings were of the highest order and a good crowd greeted each speaker with applause. This was the beginning of a series of chapel programs to be given by the different classes of the school and the Seniors surely did themselves proud, and set a pace that will be exceedingly hard for the others to follow.

"NO GAME" AGAIN.

Wet Grounds Cut Out Contest with Grinnell.

Another disappointment has been reaped by our baseball team on its trip, owing to unfavorable weather conditions. Because of very wet grounds the game with Iowa could not be played yesterday. A special telegram to The Nebraskan last night stated that the team would play Luther College, that games will be played with Iowa and Grinnell on May 5th, and that the team will meet Highland Park on May 6th. This means that the team may have an opportunity to play out the full schedule before returning. The continued wet weather has been disastrous to our schedule, and the remedy possible will be gladly welcomed.

RULES FOR ELECTION.

Conditions With Which Candidates Will Have to Comply.

"We have been requested to publish the following from the constitution of the Athletic Association, regarding the conditions to be complied with by those coming up as candidates for the Athletic Board. Although the following is the strict wording of the constitution, we take pains to clear up a few points and to call attention to changes that have of necessity been made this year. The petition of each candidate must be in the hands of the secretary of the Athletic Board by Saturday evening, April 30th. The election will be held the third Wednesday in May instead of the second. The constitution reads:

"Any University student in good standing may become a candidate, on petition signed by twenty students filed with the secretary of the board April 25th, together with a statement in writing from said student that he desires to be a candidate and expects to be in the University next year. Petitions in duplicate are to be posted in the gymnasium and University Hall for five days and in lack of protest accepted by the Athletic Board. All names of candidates are to be published at least once in each of the University weekly papers. (The "petitions in duplicate" are to be posted by the student candidate, and he is responsible for insertion of notices in papers.)"

The hours of holding the election will be from 10:30 to 12:30 a. m. and 1:30 to 3:30 p. m., at Grant Memorial Hall.

This ought to enlighten all who may be in doubt as to the methods of procedure.

TOMORROW NIGHT

Forty-Two Black Beauties Will Shi before the Footlights.

The Ladies' Minstrel show at the Oliver tomorrow night promises to be a great success. Tickets went on sale at the theatre yesterday and went with a rush. Two-thirds of the first floor was sold out before noon. If this keeps up the minstrels will surely play to a crowded house.

Whether the rate at which the tickets are selling is due to the rhetoric of the press agent, Mr. Edwin F. Myers, the hustling abilities of the business manager, Miss Ruth Wilson, or the charm of the forty-two bouncing, black beauties, is a problem which Dean Davis has assigned his class in the theory of probability. Their report will be due next Friday morning.

We will publish the complete program tomorrow. A list of the "colored" ladies is the minstrel is as follows:
