Yesterday President Wolf, of the Sophomore class responded to the resolution made at the last class meeting, that a committee be appointed to take charge of the Freshmen during their attempts to organize. A GOOD PRACTICE

Foot Ball Men Beginning to Show Rapid Improvement.

The Team is Rounding Into Shape for the Grinnell Game.

The football men came out with an extra supply of energy last evening, after the day's rest, and despite the heavy field the scrimmage was fast and unusually free from fumbling, considering the muddy field. The old standby, Dean Ringer, had donned his moleskins again and took the guards in hand, and under his supervision they showed marked improvement, even during the one hour. Barta especially is improving rapidly, and is getting into the game with a vim which almost insures him a place on the team. Borg also is doing well and promises to make as good a guard as he is a center. Mills was on the field again after a couple of days out, due to an injured rib, and his speed is increasing steadily. Last night he broke through the scrub line every play and several times stopped his man. The tackle are giving the most trouble. Cy Mason is a fixture and is playing in his old time form. Burns is being tried on the other side, and although light may make good, as he is a hard man to box up. Robertson has left his tackle position to try for end, and is becoming more certain in his tackling. Bill Johnson, Standeven and Denslow are also being played regularly on practice. In the back field Benedict is fixed at quarter, Bender at one half and Glen Mason at full. Fenlon, Eager and Marsh are fighting it out for the other half. On the whole the prospect is decidedly good for this early season, and were it not for the light line the best team of Booth's reign could be predicted.

The football management tried to arrange for a mass meeting at chapel time today in order to rouse enthusiasm for the Grinnell game, but the convocation committee had made other arrangements.

Manager Davis is in Omaha on business connected with the Creighton game, to be played there on the 15th. An excursion may be run at that time to take up any university supporters who may wish to go. Munn, who was showing up well at end, will be out of the game on account of his father's objection to the game.

A recent number of the Chicago Tribune comments briefly as follows on the football situation at Illinois, Minnesota and Michigan:

"Illinois University: Outlook encouraging. The heavy spring rains have evidently stunted the growth of the crop in this section. There is an abundance of raw material, but it is uniformly light in weight, and has not filled properly. Much of it is green and inexperienced. The coaches maintain cheerful attitudes, but hold out no roseate hopes.

"Minnesota University: Insufficient bulletins as yet, but outlook by no means discouraging. Reports also conflicting. Material said to be light, and at the same time reported to weigh on an average 190 pounds. One recent consignment of 230 pounds for the position of left guard has helped to make the general feeling more optimistic.

"Michigan University: Reports decidedly bullish. Material said to average 200 pounds, with occasional shipments which grade from 205 to as high as 260 pounds. Over 50 per cent of the visible supply is made up of well seasoned material from last year's product. Early deliveries are being

rushed to training quarters at Whitmore lake."

The following yell will be introduced at Saturday's game. Everybody learn it:

U—Rah—Rah
Ne—bras—ka
U—Rah—Rah
Ne—bras—ka
U—Rah—Rah
Ne—bras—ka
Hooray!

JUNIORS ELECT.

Hold Love Feast in Chapel and Choose Officers.

The Junior class met yesterday morning at convocation time in Memorial hall and in ten minutes elected the following slate: President, Laurence Sidwell of Omaha; vice-president, L. S. Le Gro of South Omaha; secretary-treasurer, Miss Lillian Bennett of Lincoln; sergeant-at-arms, ex-President W. H. Smith of Tobias. The best of feeling prevailed throughout the meeting, and each officer was chosen by acclamation.

An amusing incident occurred in connection with the choice of the secretary. A certain gentleman of the class was nominated for the office, and since no other names were offered, some one made a motion to close nominations and declare the aforesaid gentleman the unanimous choice of the class. Some wag at once set up a demand that a girl be elected for the position, and the whole class took up the cry. A vote resulted in one man—not the nominee—signifying the latter as his choice, and the rest of the class voting for Miss Bennett. The "man in the case" fervently thanked the class for this mark of appreciation, and was met with a storm of applause.

President Sidwell announces that the Junior Prom. committee will be named in The Nebraskan some time next week.

Today the first musical program of the year will be given at convocation. The following will be the program.

Y. W. C. A. Notes.

Opening reception of Young Women's Christian association to all university girls, Friday, September 30, 8 to 10:30, at the governor's mansion, 1445 H street.

WELCOME.

The Young Women's Christian association of the university extends a cordial welcome to both the old and new students.

At the beginning of the year, among the various interests that claim the attention, this is one of the most important, as it has for its object the three-fold development of character.

All young women of the university are invited to attend the devotional meetings held every Sunday afternoon at 3 o'clock in No. 106; also the noon prayer meeting held every day at 12:20 in the Y. W. C. A. room. The courses offered in mission study and Bible study are such as will interest students of all classes.

The Y. W. C. A. girls will be glad to have the young women call at their room, which is east of the front entrance to University Hall, and become acquainted with them and with each other; that as friends, all may cooperate for the interest of the highest and best.

If you got it at Armstrong's, it's right.
