## PLAY THE MEDICS

### Team Meets Lincoln Men on Short Notice.

Good Practice Game Results in 29 to 0 for the University.

Yesterday afternoon the varsity lined up against the Lincoln Medics at F. & M. park and rolled up a score of 29-0 on the doctors. From the first kick-off Nebraska rushed the ball down by line bucks to the Medics' 1-yard line, where it was fumbled. The ball rolled over the goal line and Captain Benedict fell on it for the first touchdown, after two minutes of play. The second touchdown, made by Eager, was earned by steady line plunges with an occasional end run for excitement. The third touchdown came from a long punt by Bennie, which escaped the Medics'. Weller was "Johnnie on the spot" and falling on the ball scored the third touchdown. This ended the scoring for the first half.

In the second half, with several new men in the line eleven more points were scored, touchdowns being made by Benedict and Craig. On every attempt Captain "Bennie" converted touchdowns into goals. On one punt out from touchdown the ball went wide and no goal resulted.

The best playing by the varsity came in the second half, when five yards were made at every line buck and end runs netted ten to twenty yards. The lowness of the score is accounted for by short halves and by the varsity being penalized time and again when the ball was near the Medics' goal line.

The line up was changed quite frequently by Coach Booth and most of the men with the signals were given a trial. Barwick, Reddick and McDonald were all tried at quarter, but as yet it is a question which leads in the race for this position. So far, Barwick seems to get the plays faster and get the speed out of the team.

The teams lined up:  
 Varsity: Benedict, Cotton, Mills, Weller, Shook, Lundin, Standeven, Barwick, Bender, Eager, Mason.  
 Medics: Kent, House, Allen, Morrow, McKinney, Snyder, Hurd, Baker, Copey, Miller, Bernsdorf.

During the game Robertson, Marsh, Craig, Reddick, McDonald and Burns were given trials. Barta, Johnson, Borg nor Cy Mason (save as referee) were allowed to go into the game, and Bender was only given a warming up.

The Knox College paper says that all she proposes to do is to hold the Cornhuskers to a small score. Their team this year is said to have more speed than any team there for some years, and if the 7-0 score of two years ago is remembered perhaps the score will be small. We have a good, hard game before us tomorrow, and the men know it, but are going in to win. Let the rooters help. Everybody out Saturday to root and root.

Here is a specimen of what Nebraska rooters will be up against a week from tomorrow:

The song is to the familiar tune of "Bedelia" and the words are as follows:

There's a bunch of husky huskers from Nebraska's sunny land,  
 Who can hit the line and make their runs and kick to beat the band,  
 But there'll be something didding when they meet the Gopher team  
 For things are not just always what they seem.

### MANY "OLD GRADS."

#### Former University People at the Teachers' Convention.

Yesterday afternoon at 2 o'clock the superintendents' and principals' section of the Nebraska Teachers' association began its session in Memorial Hall. Among the visiting instructors are many old university people and the campus is swarmed with them this morning, back renewing old acquaintances among the faculty, and observing the changes that have taken place in the university since their times.

A number of interesting talks were given yesterday afternoon. Today several of the university faculty, among them Chancellor Andrews and Professors Howard and Hodgman, will address the meeting. A number of old graduates are also on the program, which is as follows:

FRIDAY, OCT. 21, 8:30 A. M.  
 Five Minute Talks on University Inspection of High Schools.  
 Aim of University Inspection—Chancellor E. Benj. Andrews.  
 What Inspection Should do for the High School—W. L. Stephens, Lincoln.

### ELECT OFFICERS.

#### Associated Barbs Renew Organization.—Other Business.

The Associated Barbs met in U. 107 yesterday afternoon and renewed their organization by filling the office of president, left vacant by the absence of E. F. Myers. Mr. James Anderson, former vice-president, was elected president. Other officers were: Mr. Herman Wellensick, vice-president, and D. P. DeYoung, secretary.

This meeting, and a second one which convened at 7:30 last evening were taken up almost entirely by an investigation of the charges against Fletcher Lane a student member of the athletic board, whose election was due to the efforts of the Associated Barbs. Lane was accused of appealing to the Chancellor in the case of Bender and Fenlon of the football team, refusing to recognize the authority of the athletic board, and other actions intended to be detrimental to the success of athletics. On considering the evidence, a motion was passed disapproving of Mr. Lane's attitude, although it was proved that he had not appealed to the Chancellor.
