Rev. E. Z. Batten of the First Baptist church, addressed the young women of the university Sunday afternoon. He chose for his subject "What Does It Mean to be a Christian?" He said in order to be a Christian we must be in personal relation to Christ; there must be a consciousness of sin and a desire and hope to be freed from sin; we must follow Christ and commit ourselves to Him without reserve; we must believe in Christ, not merely believe things about Him. Having thus entered upon a Christian life we will grow from year to year. The new life must reveal itself. We will seek others who know Christ and Christian fellowship will result. We will find it a joy and a privilege to confess Christ.

In its simplest terms, a Christian is one who is interested in the things that concern Jesus Christ. The Christian life is to begin right, to turn one's face toward Christ, and keep on going.
