**EUROPEAN FELLOWSHIP**

Association of Collegiate Alumnae Makes Good Offer.

The Association of Collegiate Alumnae is desirous of encouraging the pursuit of advanced courses of study among women graduates of colleges. It therefore proposes to devote \$500 every year toward paying the expenses of some young woman who wishes to carry on her studies in a foreign country. Applications for this fellowship will be received by any member of the committee having it in charge. The candidates must be graduates of colleges belonging to the association, and applications for the year 1905-1906 must be handed in before February 1, 1905. The fellowship will be awarded only to candidates who give promise of distinction in the subjects to which they devote themselves. It will be the aim of the committee to appoint the candidate who is best fitted for the position through original gifts, previous training, energy, power of endurance and health. To this end they will receive applications in writing from eligible candidates, who will present, as clearly as possible, their claims to the fellowship. A competitive examination will not be held, but the bestowal of the fellowship will be based upon evidence of the candidate's ability, and of her prospect of success in her chosen line of study. Such evidence will naturally consist of (a) her college diploma; (b) testimonials as to superior ability and high character from her professors and other qualified judges; (c) satisfactory evidence of thoroughly good health; (d) a statement of the work in which she proposes to engage subsequently; (e) last, and of chief importance, examples of her scientific or literary work in the form of papers or articles, or accounts of scientific investigations which she has carried out. The fellowship will not usually be granted to those who are intending to take up the practice of any of the three learned professions, though such are not formally excluded from the competition; it will rather be bestowed upon those who are looking forward to positions as professors and teachers, and to literary and scientific vocations. The fellowship will in general be held for one year; but in an unusually promising case the term may be extended at the discretion of the committee.
