## GIRLS WILL PLAY

The Co-Eds Will Take Basketball Trips.

Universities of Minnesota and Missouri to be Visited.

A greater opportunity than ever will be given this year for Nebraska girls to show their prowess at basketball. Two trips have been arranged and only the definite setting of the time is left. The first trip will be to Minneapolis where the girls team of the University of Minnesota will be played, and then Minnesota will be brought to Lincoln for a return game. It is hoped to get these games played earlier than last year, about the first of March, if possible. Last year each team won on their own basketball court. The score at Minnesota last year was 30-22, in their favor, but the Minnesota girls were outplayed the second half when our stage fright had worn off. The Minnesota girls, when they appeared here on our floor were defeated 30-18, so the odds are slightly in our favor this year, if comparative scores count for anything. Following the games with Minnesota a trip will be taken to Columbia, Mo., where the girls of the University of Missouri will be played. This is the first trip to Missouri, and the strength of the girls south of us is not known. An effort will be made to bring Missouri here for a return game, but it is not known, as yet, whether or not such an effort will be successful.

Preceding these 'varsity games the inter-class tournament for the championship pennant will be held about the first of February, probably just after examinations. The different class teams are hard at work developing teams to uphold their class honor. The Junior girls, the present holders of the inter-class girls' championship, are determined to keep the pennant for another year, and the other class teams are equally determined that their own team shall win. This tournament has always been a great drawing card, and the interest in it this year has not abated in the least. Just when this tournament will be held has not been definitely decided.

### General Sweeney.

General Z. T. Sweeney, formerly minister to Turkey, will address the men's meeting at the Oliver next Sunday at 4 p. m. General Sweeney is one of the most eminent lecturers in the country. He is also an author of some note. He addressed the men's meeting two years ago in this city. The Oliver was crowded to overflowing. The masterly way in which he treated his subject kept the closest attention of his auditors from beginning to end. His wit and humor aptly interspersed throughout took away the dryness which sometimes characterizes the treatment which lecturers give abstract subjects. Whenever Gen. Sweeney lectures on an abstract subject he treats it in a concrete way.

The subject of the address for Sunday will be "The Power of the Gospel." The Dunbar male quartet will render several selections. Admission free. Doors open promptly at 3:30 p. m.

### Union Program.

8:15 Friday, Jan. 13.

Piano solo ..... Miss Essed  
Reading ..... Mr. Wallace  
Vocal solo ..... Miss Pepoon  
"The Western Judge" .....  
..... Mr. J. W. Thomas  
Reading ..... Miss Barton

M. R. WAUGHTERS.

Oyster stew 25 cents at Cameron's new Restaurant, 119 South 12th.

## Pershing Rifle's Hop

Lincoln Hotel, January 13

EDDIE WALT'S ORCHESTRA

TICKETS, \$2.50

### LAWS ACT

They Appoint Committees and Draft Resolutions.

The mass meeting in U 207 yesterday morning to consider the possibility of inducing Dr. Pound to revoke his resignation recently handed to the authorities was largely attended by the lawyers. In fact almost every legal student in the University and besides several who are not in the law department were on hand with ready words of commendation and applause for any mention of the Dean's name.

The meeting was called to order by S. E. Black, who stated the purpose of the meeting and called for the opinion of the general assembly. The call was responded to by some stirring speeches from Messrs. Inyart, O'Gara, Richards and others.

The sentiment of those who were present seemed to be very strong in regard that Dean Pound had decided to leave the law school and it was suggested by some that resolutions be drawn up commending his past work and urging upon him to remain in the institution. This was objected to, however, because it in effect, was interfering with the decisions or rather the business of Dr. Pound.

After debating these opinions for some time it was decided that the best thing for the body to do was to pass resolutions commending the Dean for his valuable services and expressing regret that he could no longer remain. A motion to this effect was passed and a committee to draw up the resolutions was appointed by the acting chairman as follows: Mr. Ringer, Mr. Brown, and Mr. Abbot. Their will be another mass meeting this morning to consider the matter further.

### Exhibit Closes.

Saturday evening of this week the Art Exhibit will give its closing session. Despite the loss of the State Teachers' association, the unusual shortness of the season and the unfavorable weather of this week, all expenses were paid last Monday evening. All further receipts will go towards the purchase of a picture for the permanent collection already so far advanced. The evening's entertainment has been delightfully planned. Mr. A. L. Bixby, the Journal Philosopher, and Mr. Will Maupin, of the Commoner, will read some of their humorous stories and poems. Short speeches of felicitation and prophecy will be given by President F. M. Hall, Professor Lawrence Fossler, Mr. S. L. Geishardt, Professor F. M. Fling, and other University men. It will be an evening long to be remembered by art lovers and doubtless the attendance will warrant the unusual program.

### Musical Treat.

Convocation period this morning will be taken up by Mrs. Raymond at the pipe organ. She will give the following selections:  
March Militaire ..... Gounod  
Romanza ..... Wagner  
Andante with var ..... Hayden  
Nocturne ..... Chopin  
Fanfare ..... Lemmens

### EX-GOVERNOR FURNAS

He Addresses the Students in Forestry.

Ex-Governor Furnas gave a talk yesterday morning before the Forestry club. About forty-five students were present. The ex-Governor has been a resident of Nebraska for about fifty years and was one of the first men in the state to take an interest in forestry. He expressed himself as highly pleased to be able to speak to young men who are taking up the work which he has been studying for a life time. He gave a short description of the country in early times, of the early impressions, and of the early planting. The gist of his talk was as follows:

"Fifty years ago the people thought that the country beyond the Missouri would not be settled for time to come. They ventured across the river, looked over the country and found fertile valleys and pleasant surroundings, but considered it to be so far west that no one would live there and recrossed the Missouri. At that time trees were growing only along the banks of the rivers. Some people were of the opinion that trees could not be grown any where else. Others were willing to at least try the less promising places. Their efforts were more or less successful, and since the country has become settled, so that the buffalo and other wild animals have been killed off and the prairie fires kept out, the natural timber has been spreading out from the river banks over the valleys up on to the higher ground. Trees may also be seen now along the smaller streams and branches."

After the ex-Governor had finished his talk he was kept busy for some time answering questions asked by the students.

Professor Bessey then introduced the members of the club and they enjoyed a chat together.

### Pedagogical Club.

The University Pedagogical club will hold its last regular meeting of the semester Wednesday evening, Jan. 18, at 7:30 p. m., room 212 University hall. The club will be addressed by Dr. H. K. Wolfe, principal of the Lincoln high school on high school problems. This will probably be the last public appearance of Dr. Wolfe before leaving to accept the professorship of philosophy and education in the university of Montana. The club extends a cordial invitation to members of the faculty and others interested in the professional training of teachers.

### Palladian Program.

Jan. 13, 1905.

Piano solo ..... Miss Julia Williams  
Recitation, "Song of the Market Place" ..... Miss Buchan.  
Speech....."Impromptu Expostulations" ..... Mr. DeYoung.  
Mandolin Duet ..... Messrs. Bechtel  
Recitation ..... Selected  
Miss Strickland.  
Paper ..... "Congratulations" ..... Miss Kauffman.  
Vocal solo ..... Mr. Tulleys  
Poster Auction for Temple Fund.  
Mr. Jas. Anderson, Auctioneer.

## BEAT WESLEYAN

Methodists' Fight Was Gamey but Couldn't Win.

The Second Team Defeats the Lincoln High School.

Nebraska defeated Wesleyan last night by a score of 50 to 17. The game was played before the largest crowd that has ever assembled in the armory to witness a basketball game with the possible exception of the Wisconsin-Nebraska game of last year. About one hundred and fifty Wesleyan supporters accompanied the team, confident of victory.

From the first until the last everything was in favor of the 'varsity. The speedy team work of the 'varsity was too much for the visitors, who seemed to lose themselves in trying to follow the ball. The style of play has changed a good deal since the Highland Park game. The short pass being substituted for the long swift one. The game was free from fumbling and both teams were very sure of their passes. The showing made by the 'varsity last evening will give her supporters every reason in the world to predict for her a string of victories next week. Minnesota will be fortunate if she wins one of the two games.

The second team was sent in about the middle of the second half and succeeded in holding Wesleyan down to an even score. The work of Scrubs was exceptionally good owing to the fact that they had just come out of the first half with the High School. The work of the guards is especially worthy of mention as they held the visitors down to two field goals. The majority of the opponents' points being made from the foul line. Lowell for Wesleyan scored 13 points for his team from the foul line.

To mention the men who were the stars for the 'varsity would mean the naming of the entire team as every man played an excellent game. The new men, Moser, at center, and Bell, at guard, made a very good showing. Moser proved to be a good goal thrower. Burruss and Hagensick came out with honors about even in basket throwing, and the team work of these two men was of a high order. Hoar at guard played his usual high class game, keeping his man from making any field goals.

For the visitors Lowell did the best work.

The lineup was as follows: Nebraska. Forwards. Wesleyan.

Burruss, Krake ..... White  
Hagensick, Mathewson ..... Atwood  
Center.  
Moser, Meyer ..... Lowell  
Guards.  
Hoar, Beers ..... Kuns  
Bell, Dudkee ..... Smith  
Officials—Cherrington, referee; Dr. Clapp, umpire.

The Second team defeated the Lincoln high school team last night by a score of 28 to 13. The game was fast and both teams displayed good team work. Of course the Second team was at a disadvantage the second half, having played for thirty minutes without any interval. The high school took a brace the second half and held the Nebraska men to a closer game. The score at the end of the first half was 21 to 6.

Forbes' Stables, livery, cab and baggage service, 1125-31 P street. Bell phone, 550. Auto phone 1550.
