PROF. BARBER AT TECUMSEH.
Professor G. E. Barber went to Tecumseh today to deliver his famous illustrated address on "Rome" before the farmers' institute held at that place. Prof. Barber will not meet his classes this afternoon but will return in time for his Friday classes.

R. E. Benedict, who was very prominent in athletics and other University functions during his college career was on the campus the first of the week. He has been in government work for the past two years in the department of forestry. Until this time he has been doing work on the Pacific coast but will be stationed at Washington from now on.

It was R. E. who, during a football game between Nebraska and Kansas some years ago, kicked four goals from the field. In spite of his efforts Kansas won. The game was chronicled by the papers, Benedict 20, Kansas 36.

The city Y. M. C. A. "Spa" furnishes a good chance for Uni. students to get a neat lunch at all times at very moderate prices.
