DR. CANFIELD HERE

He Stops in Lincoln on His Way West.

Gives a Short but Interesting Talk at Convocation.

Ex-Chancellor J. H. Canfield stopped over in Lincoln a few hours yesterday, visited Convocation and spoke a few words of reminiscence after the Faust program. The theme of his remarks was the largeness, the power, the broadness of spirit which characterized Nebraska when he was serving as Chancellor, and which he found unchanged each time he paid Nebraska a visit. He recalled with great pleasure the days of his Chancellorship at Nebraska, saying that those were the happiest days of his life. At the close of his remarks Dr. Canfield was given a rousing Uni cheer.

Dr. Canfield held the position of Chancellor at the University of Nebraska from 1891 to 1895, going from here to Ohio for four years, and thence to Columbia University, to assume the duties of librarian of that University, which position he now occupies. Dr. Canfield is on a trans-continental tour addressing University of Columbia Alumni Associations at various points. He was to have spoken at Omaha on Thursday evening, and is to speak to Columbia Alumni at Denver tonight. Between times he found time to stop over in Lincoln and renew old acquaintances for a short time.

Convocation.

A full crowded chapel greeted Miss Howell, Miss Marsland and Mr. Johnston at the Faust program at Convocation yesterday morning. Miss Howell fully met the expectations of her hearers with another one of her excellent readings, and the numbers by the singers were well received. Mrs. Raymond was at the piano. The Faust program was given as a fitting scheme for the presentation of the bust of "Margaret" to the University. During the program "Margaret," in her simple dignity, occupied a prominent place on the platform, the admiration of everyone present.

Bender to Stay.

Rumor to the effect that Captain Bender will not finish the baseball season with the University team because he has signed a contract for the summer with the Little Rock team, has proven false. Johnnie will captain the cornhuskers to victory the whole season, his contract with Little Rock being of such a nature as not to make his premature withdrawal necessary. He will go south after graduation.

One of the most important cases in the supreme court will be a latent equity case to be heard at two o'clock this afternoon. Johnson and McManahan are attorneys for the appellant and Lee and Smith for appellee.

LUMBARD TO SING

Famous War Bard Will be at Men's Meeting.

During the dark day of the Rebellion the boys in blue were charmed and inspired by the stirring songs of a comrade. This old comrade, though 83 years of age, still retains the sweet tone quality of former days and his flowing white locks give added meaning and impressiveness to his wonderful voice. Men in attendance at the Men's Mass Meeting Sunday at 4 p. m. will have the unusual privilege of hearing him in the person of Mr. Julius Lombard. Mr. Lombard will sing patriotic and sacred songs and is sure to please all who hear him.

Dr. F. S. Stein will discuss the interesting theme, "Life's Opportunity." Dr. Stein is so well and favorably known in Lincoln that no words are necessary concerning him. Doors open at 3:30 p. m.

Trial will be held in three divisions of the Law school today. In the supreme court a case involving latest equity will be tried. The counsels for the plaintiff in error will be T. W. Johnson and M. C. Mahon; the counsel for the defendant in error are: G. A. Lee and R. H. Smith.

The law division of the district court will consider a motion to quash an indictment in a criminal case. Gibbs will be the prosecuting attorney favoring the motion and Clark and Ritchie will act as counsels for the defendant.

A foreclosure case will be up in the equity division of the district court. The counsel for the plaintiff in error are Matley and Vanburg and those for the defendant in error are Tellman, McDuffee, Lind, Sawyer, Warnke, Martin, Beaumley, Falkner, Griffet and Morrison.

Captain Pershing Here.

Captain Pershing and his wife will arrive in the city tomorrow. They will be the guests of Hon. C. O. Wheden while in the city. Captain Pershing was lately married to Miss Frances Warren, daughter of Senator Warren of Wyoming. The wedding took place in Washington and was one of the leading social functions of the season. Mr. and Mrs. Wheden will give a public reception for Captain and Mrs. Pershing this evening from 8 to 10 p. m. On Sunday morning they will leave for the bride's home in Cheyenne, Wyo. They will spend a few days there before the Captain leaves for his post of duty as Military Attaché to the American Legation at Tokio.

DECISION HANDED DOWN

In Favor of Ritchie & Meyer the Plaintiffs in Error.

Considerable comment has been caused among the law students over the opinion handed down Thursday by Chief Justice C. J. Sargent of the supreme court of the law school on the case of Robinson vs. Smith. The decision was in favor of C. D. Ritchie and O. M. Meyer, counsel for the plaintiff in error over J. D. Ringer and V. A. Day, counsel for the defendant in error. The case was an ejectment proceeding brought to the supreme court December 10 on error to the district court, tried below by Roscoe J. Anderson, one of the judges of the district court.

The opinion on this case has been awaited with much interest. It was one of the most important cases of the year, involving many technical and difficult points and consuming several hours in the trial. Although the opinion was in favor of the counsel for the plaintiff the honors of the contesting lawyers are very evenly divided. The losing side succeeded in proving to the satisfaction of the court five out of six points in controversy. However, the one point in which they failed was very vital and resulted in the loss of the case. The attorneys for the defendant have announced that a motion for a re-hearing will be filed.

The debating squad has lost no time settling to work. Last night in the trophy room the wheels of an intellectual machine were started and they will only cease after columns of material, for two strong cases, have been ground out. At the first meeting of the squad the new members were initiated into the mysteries of the work and the programs for the next two months was arranged. From now on no busier set of men will be found in the University than the fifteen who have been chosen for the squad. The work is on the order of a seminar course and offers an unlimited field for individual effort.

The opinion of the best universities as to the greatest number of hours advisable for best work is as follows: Michigan 12, Texas 12, Iowa 15, Indiana 15, Kansas 15, Colorado 14, South Dakota 15, North Dakota 15, Minnesota 15, California 11, Washington 16, Wisconsin 15, Montana 16.

FEW DATES MADE

Scheduling of Baseball Games is Delayed.

Manager Allen Expects an Early Completion.

Manager Allen of the baseball team has not yet arranged only a few games for the baseball team this season. There seems to be the same difficulty in completing the baseball schedule that exists in making out the football schedule. Chicago has not completed her arrangements with Michigan and Wisconsin and hence will not schedule any other games until this is completed. But it is almost certain that Nebraska and Chicago will cross bats this spring.

Games with Wisconsin and Michigan are an impossibility as these teams have filled out their schedule. Minnesota will not have a team in the field this year owing to complications arising from lack of student support of this sport. These games being cut out it is very likely that Chicago will be as far east as the team will go.

Games have been scheduled with Luther college at Decorah, Iowa; Iowa Agricultural college at Ames; Highland Park University at Des Moines, and the University of Illinois. Two of these teams were played by Nebraska last year and very close scores was the result of each. As Illinois was not included in Nebraska's schedule last year it is hard to foretell the outcome of that game. All these teams have played fast ball in the past and proved worthy opponents for Nebraska.

Manager Allen has also arranged three games with Omaha League team for the first of April. These games are practice games for both teams and will not be considered a part of the University schedule. A game of ball will also be played between Omaha and the Chicago Nationals on the University campus. By this game the students will be permitted to see one of the fastest professional teams in the United States play ball.

These games are the only ones arranged definitely but it expected that other dates will be settled upon in the near future and the plan of work decided.

All men intending to try for the team are requested to report Monday evening in the gym. Captain Bender and the men will then take up the work in the cage. There seems to be a wealth of baseball material this year and many candidates are expected to be in attendance Monday evening.

Word was received yesterday from Mr. Chas. D. Hurrey, a graduate of Michigan, to the effect that he will be present at the annual Y. M. C. A. banquet to be held Friday evening, March 3. Mr. Hurrey was very prominent in his college and a recognized leader. During the past year he has served as an International Secretary, traveling among the colleges and universities of the middle west.

The city Y. M. C. A. "Spa" furnishes a nice place for students to get a good lunch at a reasonable price, at any time of the day.
