**Academy Notes.**

The Academy girls' basket-ball team will play the City Y. W. C. A. team in the Y. W. C. A. gymnasium in about a week. The preps defeated the Y. W. C. A. team by a decisive score last year. The girls have been practicing hard since they defeated the Tecumseh high school girls and the Academy students are confident of their success. The Academy will also play a game with Wesleyan University some time in March. A return game is expected with the Lincoln high school girls about the close of the season.

The Academy supported a baseball team last year and an attempt on the part of the students is being made to revive interest in the sport this year. The Academy's student support is not such as to warrant bringing teams here from other high schools of the state, but they play the game purely for the benefit that the players get out of it. The team last year played the class and society teams of the University and was able to carry off the honors in several of the games. The baseball enthusiasts furnish their own suits and a paper will probably be circulated among the Academy students in the near future soliciting subscriptions to purchase an outfit and practice will begin as soon as the weather will permit.
