Before dismissing Company B Thursday evening, February 9, Captain White asked the officers and cadets of his company to meet in the chapel immediately after drill. Captain White said the meeting was called to form a civic organization, as has been customary heretofore, and that a banquet and a "hop" would be given by the company in the spring.

Corporal McWilliams was elected president; Sergeant Cheney, vice-president; First Sergeant Skeen, secretary and treasurer. These officers will engineer the banquet, but Captain White was elected chairman of the "hop" committee with the privilege of selecting the other members. As master of ceremonies Sergeant Cheney was the unanimous choice of the company.

It is astonishing what questions are constantly referred to the Department of Botany for solution. A few days ago Dr. Clements was puzzling over a handful of small dried up leaves which someone had collected in the Rocky mountains for medical uses. There was no stem, flower or fruit to help in the determination. Yesterday Professor Bessey received a tiny flower head from Guatemala, with in inquiry as to its identity. Here again the sender had faith that from this fragment the professor could tell what the plant was like.

The Girls' Pan Hellenic council met yesterday morning and decided to adhere to their resolution made some time ago and they would not attend the dance to be given in Art Hall by the Glee Club after the concert Thursday. Their refusal to attend will have no effect on the plans of the management.

TOURIST CARS POPULAR

The idea that an inferior class of people patronize the tourist sleepers is an error. On many trips only the best class of travelers are found.

They are merely men and women of good sense who would rather travel
