FEBRUARY 23.
Sophomores, 11 a. m., Memorial hall.

All candidates for the 'varsity track team are urged to come out Saturday, Feb. 18 at 2:30 p. m., when the regular work will begin. Dr. Clapp wishes all candidates to come out in order that they may get form and be in good physical condition when weather permits outdoor work to begin.

It is probable that meets will be arranged with Colorado (in Lincoln), Minnesota (at Iowa City), Ames (at Ames), and South Dakota (either at Vermillion or at Sioux City).

It is also possible that Nebraska will send a team to the Minnesota Relay Carnival to be held about May 1st. This will be patterned after the Pennsylvania relays and gold watches for firsts, silver watches for seconds, and medals for third prizes will be given. Winning teams get banners.

The gymnastic contest for places on the Chicago team will be divided into two parts. At each semi-contest only part of the apparatus will be used. The first one will be held Wednesday evening, Feb. 22, and if Dr. Clapp is successful in his plan, the various gymnastic events will be interspersed with semi-finals and finals of an inter-class relay potato race. About one month will intervene between the semi-contests and the best men in both will receive ribbons. No cup will be given this year but the man making the most points in both contests gets an "N." Saturday, Feb. 18, is the last day on which entries for the gymnastic contest will be received.

Law College.

The second "Monday evening" talk will be given before the law students by R. L. Mockett, Esq., Feb. 20. Mr. Mockett's subject will be, "How to Get Commercial Business and How to Handle It." Informal talks on practical matters have been arranged by the law department for every Monday evening. These talks by experienced lawyers will prove very profitable to the law students. R. S. Allen, Esq., has been scheduled to speak Feb. 27.

The Supreme Court of the Law School has held no session for the last three weeks on account of the fact that all the cases in the old docket had been tried. A new docket is being prepared and the trials are expected to begin again in about two weeks.

TOURIST CARS POPULAR

The idea that an inferior class of people patronize the tourist sleepers is an error. On many trips only the best class of travelers are found. They are merely men and women of good sense who would rather travel
