### ACADEMY NOTES

The girls social hour club of the Academy will meet Wednesday with Mrs. Hodgman. Mrs. Hodgman will talk on some of the world's greatest pictures. Refreshments will be served after the talk.

Professor Hodgman left Sunday evening for Holdrege, Nebraska. He will inspect the high school of that city and also visit about a dozen other high schools of the state this week.

A baseball team will be organized at the Academy as soon as the weather will permit of out-door practice. Most of the men who played on the last year's team at the Academy are not in school and several of the positions will have to be filled from the new material that presents itself when practice begins. The preps will not play any games with teams outside of the city because of the lack of support from the students. Games will probably be played with Lincoln high school and the class and society teams of the University.

The Academy Debating club held an interesting meeting last Saturday evening. After the usual parliamentary "scrap" the national divorce law question was discussed by Miss Cameron and Mr. Heskett on the affirmative and Messrs. Fraley and Cleveland upheld the negative. A decision was given in favor of the affirmative. The question for debate at the next meeting will be the national ownership of the railroads.

It has not been decided yet who the Academy team will meet in argumentative combat, but it is quite likely that at least one debate will be taken on. The Academy team met and defeated the City Y. M. C. A. team last year and the Christians will probably be given first consideration this year.

### DEBATING CLUB HOLDS ROUSING MEETING.

The Students' Debating club was called to order at the appointed time last Saturday evening, and with its usual vim and fire began grinding out the rules and principles of Parliamentary Law.

A Parliamentary leader has been appointed who will, hereafter, place the territory on which battles are to be waged and will further elucidate technicalities.

Communications were read from the Alpha Omega Debating club of Doane college and it is hoped that a debate will soon be arranged with the Congregationalists.

The question for next Saturday is: Resolved, That the South is justified in suppressing the negro.  
Affirmative—Sherlock, Waldo.  
Negative—Mathers, Anderson.

Washington's birthday, Feb. 22, 1905, all departments of the postoffice including stations A, B and C, will be open until 10:00 a. m. The postoffice and stations will then close for the day.

Carriers will make morning delivery over their entire routes.
