The Law Department has procured the services of a stenographer, from the Lincoln Business College who will hereafter record the proceedings at the trials verbatim.

Mr. C. S. Allen, Esq., who was announced to speak before the Law School Monday evening was unable to be present. His address is postponed until Monday, March 6.

Professor Swezey was compelled to miss his classes a couple of days last week on account of sickness. This is the first time he has missed classes on account of ill health during the twenty-five years of his college teaching in the University of Nebraska.

"Billie" Hear, who returned from the basketball trip in poor physical condition, is not improving very rapidly. He is still confined to his room with a high fever. His illness is probably nothing serious but will keep him from work for some little time.

The reports of the professors of the various departments are now being received by Secretary Clements, of the Phi Beta Kappa organization, from which the stnading will be reckoned for the purpose of determining what students in the senior class are entitled to Phi Beta Kappa honors.
