## WIN BOTH GAMES

Nebraska Girls Defeat Haskell and Peru.

Good Team Work of Nebraska Teams Responsible for Victory.

The Nebraska girls started the season last evening with two victories. In both games the most characteristic part of the Nebraska's playing was the excellent team work.

The Peru Normal and second team lined up against each other for the first game. This game while not so fast as the other, was very interesting. The Peru girls used a low, short pass which was very effective, but the second team's superior team work won for them the game. The final score was 24 to 14.

The game between Haskell and the first team was fast and while the score was greatly in favor of Nebraska yet the game was closely contested throughout. The team work of the Haskell girls was good but their weak point was goal throwing. The coaching received by the Nebraska girls in the past month was very evident in the good goal shooting and excellent team work of the girls. To name the stars on the Nebraska team would mean the entire line up, for every girl played her position almost without fault. For Haskell the work of Misses Gaine and Sorter is especially worthy of mention.

The final score of 39 to 16 in Nebraska's favor gives the supporters of the scarlet and cream great hopes of a victory with Minnesota next week.

The lineup of the teams were as follows:

The question up for discussion at the meeting of the Students Debating Club to be held Saturday evening will be: "Resolved, That the Dodge Primary bill now before the Nebraska legislature should be adopted." Messrs. N. F. Peterson and W. I. King will argue for the affirmative and Messrs. V. L. Strickland and M. J. Hughes will uphold the negative of the question. The Dodge bill is one of the most prominent bills now before the legislature and an interesting discussion is expected.

Parliamentary law practice will begin at 8 p. m. The parliamentary law critic's report will be given at 8:40 and the remaining time before the debate begins will be given over to extemporaneous speaking.

### Men's Mass Meeting.

"Ghosts of Opportunities" ought to be an interesting subject for college men who are striving to make the most of their opportunities. Mr. Ora Samuel Gray is a comparatively young man and he says he has something of interest for University of Nebraska men at the Oliver on Sunday afternoon. He is "a selfmade man"; from the old farm in Vermont till the present he has risen step by step by the sheer effort of his indomitable will. His lectures are bright and spicy, but clean and pure. They appeal to all classes of people, and make life richer and hope brighter for all who hear them. We unhesitatingly recommend Mr. Gray as a brilliant illustration of the possibilities before the young men of America, and as a lecturer on popular subjects second to none of the present time.

Doors open at 3:30 p. m.

For the benefit of those who wish to make up conditions in Mechanism (M. D. 3.) a special examination will be given today from 3:00 to 5:00 p. m. in M 368.

### Junior-Senior Reception.

The committee appointed a few days ago by the president of the Junior class to arrange for the Junior reception to the Seniors has decided upon April 8th as the date of the entertainment. The reception is an annual affair given by the Junior class. The reception will be given in the art hall. Walt's full orchestra has been engaged for the evening and an excellent time is promised for those who attend.

### Senate File 180.

Senate File No. 180, which passed the senate on March 7, by a vote of 28 to 0 has been recommended to the house by the house committee and is now on the general file. Owing to an agreement between the senate and house not to consider joint bills until after March 17, it is probable that this will not come up before that date.

Since newspaper comment has led many to believe that the State Historical Society intends to "sieve and retain all records, etc. Mr. A. E. Sheldon intends to propose a qualifying amendment to the bill as recommended to the amendment.

The content of the amendment will be to give the society custody of only such documents of importance as are not properly cared for on account of lack of place to keep them, etc.

Two post-graduate, three graduate and three student recitals are to be given by the Nebraska Conservatory of Music in the near future. The first one will be given by Miss Alleyne Archibald on March 23, the second by Miss Rose Clark on April 6. Misses Eva Fuller, Jessie Enrick and Maybel Marsh give graduate recitals on May 4, May 18 and May 25 respectively, and the students recitals will be given on March 30, April 20, and May 11.

Seniors desiring duplicate pictures may have them in platinum folders. This is a new style and very pleasing. Ask to see them when ordering. Townsend Studio.

## DRAMATIC CLUB

Proceeds Go to Y. W. C. A. to Be Applied on Y. W. Pledge to Temple Fund.

Tonight the Dramatic Club will present two plays in Memorial hall. "Mr. Bob," a comedy in two acts, and "Miss Civilization," a one act comedy by the popular writer, Richard Harding Davis. The previous successes of the Dramatic Club in former plays are sufficient advertisement for the plays this evening which promise to outstrip any of the past attainments. This evening's entertainment will be the result of long and earnest practice by the members of the cast, and no stone has been left unturned to make the production a success. The highest talent in college has been secured in the cast. Mr. Harry Keyser and Miss Anne Nielsen fill the leading roles in the Senior play this year.
