Jacob H. Schiff has presented to Columbia University \$100,000 for a chair of social work.

Dean Harry Pratt Judson probably will become acting president of the University of Chicago when Dr. Harper goes south.

Illinois defeated Chicago in a dual indoor track meet at Urbana Saturday night by a score of 45 to 41. The last event, the pole vault, was the event which decided the contest, Norris of Illinois clearing the bar at 11 feet, 3 1-8 inches.

In the swimming contest between the Central Y. M. C. A. of Chicago and University of Wisconsin teams, H. J. Handy of the former has broken the world's record for fifty yards on the back, making the distance in 35 3-5 seconds. The former record was 36 1-5 seconds.

It is an interesting fact that out of forty-six college football captains chosen since the last season closed, in the East and Middle West, twenty-three are line men and twenty-three are backs. Only one center and four guards have been elected. The tackles number ten, the quarterbacks five and the halfbacks and fullbacks eight.

President Harper of the University of Chicago, in his annual report, advocates the abolition of Thanksgiving football games. He says: "The abolition of Thanksgiving football games in western colleges is recommended. It is with reluctance and regret that Thanksgiving as a day for home turning and family reunion is being destroyed, and especially the attitude taken toward the matter by the colleges in destroying these characteristics. It is recommended that the last football game be held on Saturday preceding Thanksgiving, as at eastern colleges."
