IS FINAL CONTEST

Last Game of Basketball for This Season Tonight.

Close Game Expected—Varsity is Somewhat Handicapped.

Tonight the varsity basketball team lines up against the team from William Jewell College for the last game of the season. The William Jewell team has played several games this year which have proved to their opponents that they are a fast aggregation. The varsity will end what has been a very successful season with the game tonight. The team has taken two long trips and won a majority of the games played on these trips. The first trip was very successful as out of five games played five victories resulted. Two of these victories were over Minnesota and Nebraska had the pleasure of defeating this team then defeated for the first time in seven years on the Minnesota floor. It was thought the first of the season that return games would be played with Minnesota in Lincoln but arrangements could not be made satisfactory to both teams. The second trip was with eastern colleges and while the team did not make the record of the previous trip they did well considering the many odds against which they had to contend. They won two out of the six games played, but the teams played were the strongest in Wisconsin and Illinois. The team's work at home has been very successful as they have lost but two games out of the five played. The total number of games played this season is sixteen excepting the William Jewell game. Out of the sixteen played ten were victories, making a percentage of sixty-five. They have scored 563 points to their opponents 483. This is a good margin and well worthy of mention.

Besides the regular game tonight, Manager Beers has secured the Pershing Rifles to give an exhibition drill. The drill will be concluded with a spell down for the gold medal. Those who saw the excellent drill given by this company on Charter Day will not miss an opportunity to see it repeated tonight.

The varsity will be handicapped by the loss of Captain Hoar. The severe illness brought on by the eastern trip taken by the basketball team has made it practically impossible for Hoar to take any very active part in athletics for the remainder of the school year. Burruss will be placed at guard in Captain Hoar's position and Krake, who accompanied the team on both of its trips, will be in at forward.

The tickets are on sale at the Co-op. The price of admission is 25c and 35c.

The following is the lineup:

 ARMORY.

Successful Program.

The Latin club met Tuesday evening in Union hall. A splendid audience of about a hundred and fifty was present. The program consisted of Latin songs and recitations taken from the odes of Horace. These were rendered by the members of the Horace classes under the able direction of Dr. Johnson. Every member showed careful and diligent training. The program was concluded by the singing of "Lauriger Horatius," by the audience. The program was greatly enjoyed by all.

Glee Club Trip.

Contracts have been signed covering all but one of the dates arranged by Manager Williams for the Glee club trip. The men leave Wednesday, April 19th and will be on the road nine days, returning to Lincoln, Friday, April 28th. Concerts will be given at Crete, Seward, York, Fairbury, Beatrice, Aurora and Grand Island. The terms secured from the various managers at towns where the club is to sing were very satisfactory to the club, and nothing stands in the way of the most successful trip a Nebraska Glee club has taken in recent years.

Prof. Turner Reads.

Prof. E. F. Turner, of Wesleyan University rendered several choice readings at Convocation yesterday. The principle selection was the well known poem of Longfellow, "Robert of Sicily." His second reading was Eugene Sills beautiful little poem, "Night." Mr. Turner then recited James Whitcome Riley's humorous and characteristic poem entitled, "Summer Day." He concluded with the pathetic poem of Eugene Field, "Our Two Opinions." Mr. Turner is a very entertaining speaker and his frequent encores showed that his readings were much enjoyed by the audience.

None Decided Yet.

House Roll 350, the bill for an act to appropriate twenty-five thousand dollars for the purchase of one-half of block number twenty-five for the University, is still in the hands of the Committee on Finance, Ways and Means in the House.

House Roll 9, which was amended before passing the house so as to cut down the appropriation from one hundred thousand to twenty thousand dollars, was read in the senate for the first time yesterday morning.

House Roll 250, the salaries bill, is still in the hands of the Finance, Ways and Means committee of the senate. The bill as it passed the house appropriates three hundred and fifty thousand dollars for University salaries. This amount is about fifty thousand dollars more than the University has ever been able to secure before.

Owing to an agreement between the two houses of the legislature, no bills that have passed one house will be considered in the other until after the seventeenth of this month, so that it is probable that nothing more will be done with the bills that have passed the house and are now in the senate until some time next week, at least.

Sembrero Out May 4th.

The approximate date on which the Sombbrero will be out is announced to be May 4. The work is steadily progressing, nearly all of the material having been written up by this time. The book will go to press in a few days. Already efforts have begun to secure the required number of subscribers to make the annual a success financially. Contract blanks have been distributed among the students which are agreements to take one or more books at a rate of \$1.50.

This is the season everybody feels like sitting for pictures. Have you had that "feeling?" If not, see what Townsend is producing and you will make an appointment immediately. Studio 226 South 11th street.

PROM TOMORROW

Last Formal Function of the Year to Be of the Best.

New Schemes of Decoration to Be Used, and Other Arrangements Completed.

Tomorrow night at the Lincoln occurs the annual Senior Prom. With what resources the committee could reasonably count on arrangements have been made which will place the Prom. of '05 abreast with any that have preceded. Besides the usual class and University color decorations some novel electrical effects are to be used. This feature is something quite new in Senior Prom. decorations. The fact that the dance comes on St. Patrick's day is to be taken advantage of and some color scheme appropriate to the day will be used in completing the decorations. A short program, consisting of sixteen regular numbers and no extras, will be danced. The shorter program was tried at the Junior Prom. but without success for the unavoidable lateness of starting cut the numbers and intermissions too short. Tomorrow night, however, dancing will begin promptly at 9:30 and long intermissions and frequent encores will be possible. Walt's full orchestra will furnish the music and light refreshments will be served. R. H. White is chairman of the Prom. committee and J. R. Bender master of ceremonies. The program of dances is as follows:

1. Two-step—Gallant Hearts.
2. Waltz—From Fantana.
3. Two-step—Fraternity Belles.
4. Waltz—Rosebuds.
5. Two-step—Field Day.
6. Five-step—In Days of Old.
7. Two-step—From Woodland.
8. Waltz—From Sho-Gun.
9. Two-step—Yankee Land.
10. Waltz—From Yankee Consul.
11. Two-step—Big Indian Chief.
12. Waltz—Queen of Hearts.
13. Two-step—Back, Back to Baltimore.
14. Waltz—Mermaid.
15. Two-step—My San Domingo Maid.
16. Waltz—Ever Thine.

Y. M. C. A. Officers.

At the annual business meeting of the University Y. M. C. A. held last evening in U 106 the following officers were elected for the ensuing year: President, Charles T. Borg; vice president, A. C. Bates; secretary, R. R. Hill; treasurer, L. T. Sidwell. Secretary Ringker presented the matter of the raising of finances to the meeting and slips were passed around for those present to subscribe. About one hundred and twenty dollars was pledged by those present at the meeting.

President M. J. Brown paid a tribute to the work of the present secretary, J. D. Ringer, emphasizing the fact that while Mr. Ringer had never "grumbled" he had nevertheless been a very busy man and had worked faithfully for the benefit of the association members.
