Campus Gleanings

J. D. Whitmore, ex-'05, is visiting friends in the city this week.

Harvey G. Strayer, '03, is commercial teacher in the Kewanee, Ill., High School. He also teaches a class in the Y. M. C. A. night school.

In honor of those of their members recently elected to Phi Beta Kappa the Black Masque gave a dinner party followed by a theater party last night.

Professor W. G. Langworthy Taylor contributes to the Journal of Political Economy for March, an elaborate article entitled "The World's Prosperity in 1903."

The class in general botany is just taking up the study of ferns, having about finished the mosses. In a couple of weeks the flowering plants will be reached.

Mr. d'Allemand, of the Senior Class in forestry course, gave an address on "The Common Trees of Eastern Nebraska" to the teachers of the city schools a few days ago.

D. E. Winchester and Ralph Dawson read papers at the regular meeting of the Nebraska Entomological Society held last evening in the Entomological Laboratory.

C. S. Allen, Esq., was scheduled to speak before the Law School Monday evening, but was unable to be present. His lecture has been postponed until Monday, April 10.

Dr. Henry B. Ward has been selected as member of an international committee to secure the erection of a fitting monument to Ernst Abbe, of Jena, Germany, the famous microscopist and inventor.

Miss Sarah Ryan, an alumnae, who has been giving excellent satisfaction as a teacher in the city schools of Holdridge, Nebraska, is seeking a principalship in a Nebraska high school for next year.

Next Sunday evening, April 7, the general secretaries, the officers and the cabinets of both the Y. M. C. A. and the Y. W. C. A. and the Volunteer Band will meet with Miss Paddock in the Y. W. C. A. room.

Dean Driscoll, '05, has been forced to discontinue his work in the University on account of the serious illness of his father. Extensive travel has been prescribed and "Dris" will accompany his father west immediately.

Miss Ethel Masters, a Nebraska alumna, now teaching in the city schools of Winthrop, Minnesota, has been re-elected to the position at an advanced salary. Miss Masters is thinking of returning to the University for graduate work and may refuse the offer.

Professor Bruner and M. H. Swenk, both of the Department of Entomology made a trip to Humboldt, Nebraska, yesterday. The trip was made in the interest of the work of the State Entomologist. A breeding cage will be established at that place for the study of the habits of the Hessian fly. Under the direction of Professor Bruner, a study of about ten Nebraska insects will be made during the coming summer by men who have made a specialty of entomological work. Several of these men will be secured from those who are specializing in the Department of Entomology this year.

FOUND—A bunch of keys. Owner may obtain same by calling at Nebraskan office and paying for this ad.

LOST—Phi Delta Phi pin. Return to office of the Daily Nebraskan.

All students are requested to leave their phone numbers at the Registrar's office.

The Auditorium skating rink will be closed during Innes' Band Concert. Will re-open April 15. Season closes May 4.

Twenty-one meals for \$3. Dormitory Cafe.
