**Y. W. C. A. Notes.**

Sunday morning Miss Paddock addressed a joint meeting of the Y. M. C. A. and Y. W. C. A. in Chapel. The topic was "Why Should We Go to the Foreign Field?" She pointed out that Christ's command was to go forth and preach the gospel to all the world and not just to those who happen to be nearest, that while their are few who have not heard of Christ in the United States, there are millions who have not in India, China and Africa and that while there is one minister in every four hundred here there is only one to every sixty thousand there. So every one should consider the call a personal one unless he is hindered by very real obstacles as there is need for workers along every possible line. Miss Archibald presided at the meeting and the Y. M. C. A. quartet furnished the music.

At the Sunday afternoon meeting Miss Paddock, who is to be the national Y. W. C. A. secretary to Central China again addressed the Y. W. C. A. She spoke of the conditions there and the opportunities for work. Among these was work among factory girls which cannot be done by the missionaries because they work from 6:00 a. m. to 6:30 p. m. Then a large house should be built to accommodate women coming in boats and staying over night in Canton. Then the gospel must be spread all over the empire for women of the wealthy class gambel and smoke. The headquarters for the work are to be at Shanghai. Mrs. Hinman was chairman of the meeting and Miss Pillsbury sang two solos.

The noon leaders for this week are:  
Monday—Miss Paddock.  
Tuesday—Miss Myers.  
Wednesday—Miss Ferris.  
Thursday—Miss Poose.  
Friday—Miss Fall.

**In Other Colleges**

The state senate has passed a bill appropriating \$6,000 for the establishment of a chair of music at the University of California.

Football, instead of hazing, will probably be used in the future at Columbia to settle under-class disputes. A ball six feet in diameter will be used, and 20 men from each class will enter the struggle.

Sixty-five men have reported for the spring football practice at Yale, most of them being members of last year's eleven and squad.

A movement is on foot at Columbia to organize an association football team. It is the intention of the men interested to give the association game the same place it occupies in the big English institutions. The object is to get a large number of men out to get suitable exercise.
