Vol. IV, No. 128

UNIVERSITY OF NEBRASKA, LINCOLN, THURSDAY, APRIL 27, 1905.

Price 5 Cents

ARE ASKING WHERE

Appropriation For Increased Salaries Still on the Way.

Faculty Expression One of Disappointment and Regret.

Not a few members of the University faculty are much disappointed in not receiving the expected raise in salary which they thought would be coming to them when the last session of the legislature increased the University salary appropriation by \$50,000. The appropriation was for the coming biennium and hence the increase would mean a net increase per year of but \$25,000 for the faculty as a body over the salaries for the past year, but even this amount, some of the members allege, has not been apportioned to them. The increase in the appropriation was secured on the plea that the University faculty has not been receiving a wage that is consistent with their positions and services and after the appropriation has been secured it is claimed that the money has not all been used for the purpose for which it was appropriated, but retained for other purposes.

One of the board of regents, when seen by a reporter yesterday afternoon, would not give any statistics to show just how much of the sum in question had really been dealt out by the regents for "increases," but stated that the money had all been provided for for salaries and requested that any of the complaining members report their complaint to the regents.

A prominent member of the faculty expressed his sentiments on the question as follows:

"There is a general feeling of disappointment among the faculty over the failure of the regents to raise the salaries to the limit promised. The faculty had noted with pleasant anticipation that the legislature, on the earnest recommendation of the Chancellor, had increased the salary item, in the University appropriation, \$50,000 for the next biennium. Hence the heads of departments who had been given title without a corresponding salary expected to receive \$2,000 or \$2,100. As a matter of fact an average increase of only \$100 seems to have been given and there are still many heads of departments who are not drawing salaries corresponding to their title. The deans received no increase at all. It appears that the larger part of this \$50,000 is being held for the creation of new departments, which seems manifestly unjust in view of the patience of the older members of the faculty. It is surmised that the finance committee of the board of regents is responsible for this failure to increase the salaries to the limit promised."

Another man well up on the teaching force of the University stated that will be had no definite knowledge as to the particular point in question he could but say that he did not like the "sweat shop" sort of a system that seemed to be in vogue here.

Dr. D. L. Thomas will address the men's mass meeting in the Art hall Sunday at 3 p. m. on "Be Something; Do Something; Get Something."

NINTH ANNUAL PAN-HELLENIC DANCE

Auditorium, Friday, May 26th EVENING OF COMPETITIVE DRILL.

EDDIE WALT'S FULL ORCHESTRA.

TICKETS NAMED.

Athletic Board Members Are To Be Elected May 10.

The following are the rules in the constitution of the athletic board governing the election of student members to that board, which election will be held this year two weeks from yesterday, May 10th:

Article XIV.—Regulations governing the election of student members of the athletic board.

Sec. 1. Nominations. Any university student in good standing may become a candidate, on petition signed by twenty students filed with the secretary of the board before—(May 1st, this year), together with a statement in writing from said student that he desires to be a candidate and expects to be in the University during the coming year. Petitions in duplicate are to be posted in the gymnasium and University hall for five days and in lack of protest accepted by the athletic board. All names of candidates are to be published at least once in the University paper. (The petitions in duplicate are to be posted by student candidates and they are responsible for insertion of notices in paper.)

Sec. 2. Elections. The time of elections shall be on the second Wednesday in May of each year (this year May 10th), from 10:30 to 12:30 a. m. and 1:30 to 3:30 in Memorial Hall.

Sec. 3. Judges. There shall be three judges appointed by the board, but not more than two of them shall be members of the board.

Sec. 4. Voters. Any student, former student, alumnus, assistant or member of the faculty shall be qualified by the payment of twenty-five cents for general athletic interests, money to be paid at the time of election.

Sec. 5. Tickets. Names of the candidates shall be printed in alphabetical order. In addition to the names the words "vote for five" (but no other printing) shall appear on the ticket.

Sec. 6. Method. The general rules of the Australian ballot system shall be followed. There shall be no discussion or soliciting of votes to the voting room.

Sec. 7. All ballots shall be void and thrown out which do not show a vote for exactly five of the recognized candidates.

Immediately following the election of last year a request was presented to the athletic board asking that the twenty-five cent per capita tax be removed and the election be thrown open to any who, under Section 4 of Article XIV, are qualified. The argument in favor of abolishing this voting fee was that it would do away with the

promiscuous "selling of votes" by the girls.

The request was carefully considered by the board, but it was finally decided that the evils resulting from no charge would be greater than those existing at present, and the twenty-five cent charge will be made this year as heretofore.

It was found, upon investigation by the board, that the girls were voting more and more according to their own minds, and were being influenced less by ardent partisans.

The two tickets in the field at present, though all of the names have not yet been made public, are made up of Benedict, Hunter, Morse, Graves, Cotton and Black, Anderson, Fenlon, Hewitt and Lundin.

Bellevue This Afternoon.

The Varsity baseball team will meet the Bellevue college team on Nebraska field this afternoon. On tomorrow afternoon the University of Colorado team will leave the mountain tops long enough to try conclusions with the Nebraska ball tossers. These games will be the last played before the team makes the eastern trip.

The men have not been able to practice together for the past week on account of the inclemency of the weather but yesterday afternoon Bender put them through some quick work. Dort, Nilsson or Blake will likely twirl for the Varsity this afternoon and Morse, will be saved for the Colorado game. These two games will practically decide what men will make the trip.

The Varsity lineup will be as follows:

Gaddis, 3b.
Cook, cf.
Fenlon, lf.
Barta, 1b, c.
Bender, c, 1b.
Reddick, ss.
Rine, 2b.
Schmidt, rf.
Nilsson, p.
Dort, p.—
Blake, p.

The game will be called at 3 p. m.

Dean Davis Speaks.

Dean Davis briefly addressed the students at convocation yesterday in the absence of Miss Blunt who was announced to have spoken on "Japan." Dean Davis gave a few words of encouragement to brace up the students who were becoming discouraged in their school work. The students who are doing the best work, said Dr. Davis, are precisely the students who are discouraged because they can see their defects. They should keep a stiff upper lip and apply to the faculty who are always glad to aid them in their work.

SPRING PRACTICE

The Football Candidates Will Commence Monday.

C. A. Tucker Will Give a Loving Cup to the Best Punter.

Captain Borg announced last evening that the football men would commence on next Monday for the spring practice. This practice this year will receive greater attention from the men than heretofore as a loving cup is to be given to the best punter. C. A. Tucker offers this prize and it should and will prove an incentive for many men to do football practice.

The practice is begun thus early in order that it may not conflict with track athletics and baseball. It is the intention to put in a few weeks in practicing the fundamental principles of the game, such as punting, falling on the ball, and catching punts. By doing this in the spring the men are able to line up for skirmishes much earlier in the fall than they would otherwise be permitted.

Captain Borg, Assistant Coach Westover, and Ex-Captain Benedict will have charge of the men. The old men of last year's squad have signified their intentions of reporting for practice and besides these several new candidates for next year's team. This spring practice will prove a wealth of good especially to the new men, in that they will be prepared to enter the work in the fall with a much better knowledge of the game.

All candidates report Monday afternoon on the football field.

Effective Work.

Report of the employment committee for the month of March. Amount of employment furnished students for the month of March was \$103.00, making a total for the year, beginning April 1, 1904, and ending April 1, 1905, of \$2,045.90.

Respectfully submitted,

C. L. A. RINKER,

Chairman.

This work is done gratis by the University Y. M. C. A. in an endeavor to make its work thoroughly practical. Mr. Rinker as chairman of the employment work during the past year is to be congratulated for the fine work done.

The association now has four positions to be filled. They consist of places where students can earn board by waiting tables, etc. Mr. E. Don Skeen, who served with Mr. Rinker last year, has been appointed by President Borg to have charge of this important line of association work during the current year.

Last Saturday A. E. Sheldon visited near Richfield, Sarpy county, Neb., where he spent several days looking over the sight of the old Otoe Mission. It is the scene of the first missionary undertaking among the Indians of Nebraska by Rev. Moses Merrill in 1885. The tall limestone chimney built at that time is still intact and besides this Mr. Sheldon found many Indian mounds and "Jodge circles."

Fresh home-made candies at Maxwell's, 1426 O St. and 13th and N Sts.
