AUDIT ACCOUNTS

Faculty Committee to Look Over Student Organization Records

Old Rule Adopted by Regents to be Made Effective.

A rule passed by the board of regents some time ago, but heretofore not enforced very rigorously, if at all, is to be strictly lived up to from now on. For sometime there has been a committee composed of faculty members appointed for the purpose of having supervision over all non-athletic student organizations in the University which have any financial dealings with the student body. It is the duty of this committee to audit all accounts of these organizations, the rule as adopted by the regents stating that no student who has had such financial dealings shall be allowed to graduate until such transactions have been checked and reported O. K. by the committee on student organizations. Steps are now being taken looking to the enforcing of this long neglected rule.

The organizations which this committee will be called upon to investigate will probably number the Junior and Senior annual boards, the Dramatic club, the Students' Debating club, the University Debating association, the University Tennis club, which is the only branch of athletics not under direct control of the University Athletic Board, the Daily Nebraskan, and possibly the four academic class treasurers and the engineering "Blue Print."

The large sums of money handled by some of these organizations without any check save of the organization itself, and very often without even that much auditing, the regents decided ought to have some faculty supervision.

Debating Association Changes.

At a recent meeting of the Debating association several important changes were made in the constitution of that organization. Heretofore the membership of the association has been limited to students having entered the preliminaries to the inter-collegiate debates and paid their membership fee of one dollar. Under such ruling only a comparatively few students could become members of the association was not representative of the whole student body. In view of this fact the association adopted a new constitution at the last meeting which made eligible to membership all students who are members of either of the two open debating clubs, students who have entered the preliminary debates or who have registered in any course in argumentation in the university. The clause requiring the payment of one dollar membership fee was also eliminated. Under the new regulations membership to the association is open to practically everyone who is interested in debating work without membership fee. It is practically assured that the membership list next year, as a result of the new constitution, will be much larger than in any previous years and the debating association will be a representative student organization.

ENGINEERING BANQUET,

SATURDAY EVE,

MAY 6,

LINDELL HOTEL

\$1.00 PER PLATE

All Engineering Students are invited.

COMMENCEMENT OF AGRIS.

Twenty-four Men Finish Farm Courses.

The third annual commencement exercises of the University school of agriculture will be given this evening in Memorial hall. Twenty-four men in the regular three-year course are candidates for certificates. The commencement address will be delivered by James Chalmers, Ph.D., president of South Dakota agricultural college, on the "Supreme Personal Force."

The following will be the program of the evening:

Music—Piano Solo—Tarantelle (Leshchitzky)—Miss Edith Burlingim.

Invocation—Rev. John Ellery Tuttle, D. D.

Music—Vocal Duet—Spring (Lassen)—Mrs. C. E. Sanderson, Miss Florence Robinson.

Commencement Address—"The Supreme Personal Force"—James Chalmers, Ph. D., president South Dakota Agricultural College.

Music—Violin—Fifth Air Varle (Danclo)—Mr. E. E. Brodecky.

Presentation of Class.

Presentation of Certificates.

Music—Organ Solo—Torchlight March (Guilmant)—Dr. Guernsey Jones.

Benediction—Dr. Tuttle.

The names of the twenty-four men who will receive certificates are as follows:

Arthur Lawrence Coad,
William Glenn Cramer,
Lloyd Lovern Dickman,
Earl Phillip Dill,
William Fuller Downey,
Ernest Blois DuBois,
Henry Augustus DuBois,
Charles Edward Gurney,
Earl Russell Harnly,
Leonard Smith Herron,
James William Holub,
Erwin Hopt,
Edward Gareth Hubbard,
Edward Lester Jameson,
Charles Basil Lazure,
Erasto Adolphus Marino,
Herbert Ellsworth McCartney.

Daniel Baker McNeel,
Jesse Dowson Newell,
Elza Parmenter,
Earl Milton Pettyerew,
Fred Adolph Pochon,
Ernest Allen Rug,
Ralph Homer Searle.

TRACK MEETING THIS A. M.

Important Business to Come Up—Full Attendance Desired.

A call has been sent for all track men to meet in Dr. Clapp's office this morning at 11. Important business connected with the track work is to be discussed and no man interested can afford to be absent. Plans for the spring's work will be talked over and the meets in which Nebraska is to participate will be announced. At present the only dual track meets are with Colorado in Lincoln, and with the University of South Dakota at Vermillion, but there is a possibility of other meets being scheduled.

While prospects for showing just what we can do in really fast company do not seem very flattering with only these two meets, it is largely up to the men themselves as to whether or not Nebraska gets to travel in faster company. If the improvement in the work from now on justifies a team representing Nebraska will probably be sent to Chicago on June 3d to participate in the conference meet, or to Kansas City the first of June to take part in a meet held under the auspices of the Kansas City Athletic club. Probably the Chicago trip will be made in preference to the one south.

Plans will be fully discussed this morning and every track man should be present at the meeting in Dr. Clapp's office.

Prof. Smith of the department of education gave an address April 21st before the County Sunday-School association held at Hickman on the subject of—"Pedagogy of the Gospels Applied to Sunday Schools."

Chanin Bros., Florists, 127 So. 13th.

ERRORLESS GAME

'Varsity Defeats Bellevue College in One-sided Contest.

Heavy Field Prevents Fast Playing—Colorado This Afternoon.

The 'Varsity shut Bellevue out yesterday by a score of 11 to 0 and in the beginning it looked like a bigger score, for Nebraska run in five men before the first inning was over. The home team lined up as usual until the fourth, when Bender put Barta behind the bat, Schmidt on first, Morse in right field and played at short-stop himself. Dort pitched four innings and Nilsson finished the game in the box. No sensational plays were made except a double play by Fenlon, who caught a short fly and got a runner from first.

The work of the 'Varsity was without criticism and especially worthy of mention. The game was free from any error, so far as the Nebraska players were concerned, and if the team plays the game this afternoon they did yesterday there will be nothing to the score card on the Colorado side. Nilsson and Dort pitched gilt edged ball and the way the fellows handled the wagon-tongue was not poor.

Bellevue, try as she would, was not able to place a safe one out into the tall grass. It seemed as if the 'Varsity players had a way of "buttin'" in yesterday that proved very disastrous for Bellevue. But the visitors should be commended for their outfield work, as well as Roland, who pitched a good game for them.

Bender's colts certainly looked "chipper" in their new suits. They frolicked around in such a lively manner that the fans held their breath for fear that some of the players might cut themselves on the creases in the bloomers.

Dr. and Mrs. Benton Dales walked behind the catcher shortly after the game started on their way to the grand stand and Mrs. Dales was hit on the arm by a passed ball. The accident was not serious and they both stayed and watched the game out.

Convocation.

Three musicians well known to the University public, will render the musical program at convocation this morning. The numbers to be given are unusually attractive.

Cello a. Waltz.....Goltermann
b. Song without words...Davidoff
Miss Lillian Elche.
Song.....The Russian Nightingale
Miss Vera Upton.
Song Cycle—Summertime.....Ronald
Daybreak,
Morning,
Evening,
Night.

(Cello obligato, Miss Elche.)
Mr. Everett B. Carder.

Tuesday evening, May 8, a memorial in commemoration of the centennial of the death of Schiller will be given under the auspices of the German department in Memorial hall. Quite elaborate preparations are being made for the occasion. A program will be given consisting of music and speaking. Selections of Schiller's more famous plays will also be rendered. Upon each program there will be an engraving of the bust of Schiller taken from the bronze bust in the German recitation room. The public are cordially invited to attend the celebration.

Baseball This Afternoon...

Colorado vs. Nebraska

3 O'clock p. m. 25c.
