**Y. W. C. A. Notes.**

Miss Grace Countryman, who is engaged in student volunteer work in Mississippi, was a visitor at the Y. W. C. A. rooms for a short time yesterday afternoon.

The noon meetings for the coming month are to be led by the Senior Y. W. C. A. girls and so are sure to be full of interest.

The social committee is hard at work preparing for the annual May morning breakfast which will be held May 6 at St. Paul's. Crates of strawberries and gallons of maple syrup have been secured to eat with the cream and hot biscuits and many other good things are promised. Remember the date and be sure to come.

Next Sunday afternoon there will be a very important Y. W. C. A. meeting. Recognition services, when the new members who have joined the association this semester, will be formally received. All who have not yet been received are especially urged to attend. There will be special music under the charge of Miss McCun Sunday, April 30, from 3 to 4 o'clock in the chapel.

**AN INTERESTING TRIP.**

The Union Pacific Line closely follows the path of the "Forty-niners," which has become historic as "The Overland Route"—the shortest and best road to San Francisco. If you cross the continent in one of the tourist sleepers of this line you will enjoy your trip and save considerable money. For full particulars inquire of E. B. Slossen, general agent.

The Remington is used in the Four Corners of the Earth. In every clime and every nation it is the Standard Typewriter.

Work on the administration building has been delayed for several days by the inclemency of the weather. It is reported that the contractor is compelled to delay the work of construction because of tardiness of the architect in furnishing the plans for the rooms in the building.
