That Breakfast.

At sunrise next Saturday morning things will be doing at St. Paul's church. Kettles will boil, frying pans will sizzle, the gold and silver liquor of modern "hen fruit" will be boiled, fried or poached and in fact the most fastidious appetites will be tempted by the savory odors that will fill the halls. Scores of Y. W. girls will don their aprons before 6:15, when the early birds will begin to enjoy hot biscuits, tender steaks, toothsome morsels of breakfast food and "Force." The last course will consist of such dainties as strawberries and cream, which should repay any of the early risers for sacrificing the blissful slumbers of the wee hours.

Manning Will Run.

The prospects for a good track team this year were brightened much last evening by the announcement that Ed Manning would enter the sprints. Manning has made good time in the sprints and at present holds the 229 and 440 yard dash records. These records were made two years ago.

Faculty to Play.

The Lincoln Commercial club and the faculty of the University will meet on the campus Thursday afternoon, May 25, when a game of baseball for the benefit of college settlement will be played. The management is endeavoring to arrange for a double-header and expects that the Varsity team will play the city team.

Graduate Club

The Graduate club of the University will meet with Mr. and Mrs. A. J. Sawyer, 1718 F street, on Friday evening, May 12.

An interesting program has been arranged and as this is the final meeting of the year, and the time for the election of officers and the transaction of other important business, all members should endeavor to be present.
