Tuesday evening the Annual Dinner for the Y. M. C. A. Committeemen was held in the Dining Hall of the St. Paul M. E. church. A large number of members enjoyed the excellent supper which was the result of the efforts of the social committee.

Immediately after supper the Y. M. C. A. Quartette sang several old college songs. The chairman of the Y. M. C. A. Committee then made reports, outlining the general plans for next year. Mr. Arthur Jorgenson of Omaha, the new General Secretary, was introduced and made some extended remarks expressing his pleasure at the businesslike spirit which had been manifest in the reports of the committee and outlining the general work for the coming year. Dr. Paine and Professor Stuff were called upon to make a few remarks and Dean Ringer the outgoing General Secretary took the last opportunity of thanking the members of the Association for the aid which they had given him in carrying out his work for the last two years.

After the speeches were concluded each member had the opportunity of meeting Mr. Jorgenson personally. The supper, in every detail, was a decided success. Much interest and enthu-

slasm was shown which will certainly manifest itself in excellent work next year.

Men who are planning on a summer trip should talk to the General Secretary of the Y. M. C. A., who can put them in touch with a ten days outing of rare quality at an unusually small expense. The Camp is located on one of Wisconsin's beautiful lakes, where fishing, boating, swimming, sailing and rowing is unsurpassed. The pleasure of this trip is greatly augmented by the companionship of several university men who will make the trip. Look it up.

Prof. Bruner, Mr. Schwenk, and A. E. Sheldon represented the University at a field meet of the State Ornithologists Union at Dunbar, Nebr., Friday and Saturday of last week. Seventy Nebraska birds were found and named on Saturday morning.

O. J. Fee left last night for his home in Fullerton where he has been called by the death of a nephew.

### Y. W. C. A. NOTES.

The regular Y. W. C. A. meeting last Sunday afternoon was addressed by Miss Bertha Elliott, a deaconess from Kansas City, Kans., who gave a very interesting account of her work there. The music which was a special feature was in charge of Mrs. Raymond and consisted of a chorus of fifty voices.

Next Friday evening the Big Cabinet will be entertained by Mrs. Zimmer at 16th and K sts. It is hoped that every chairman and sub-chairman will make it a point to be present.

The noon meetings which the Senior girls are conducting this month are arousing much interest. Monday noon forty five girls were present. The leaders for the week are, Wed. Ruth Wilson, Thurs. Helen Reddington, Fri. Allene McEachron.

### "Profs." Play Ball.

If enthusiasm counts for anything the Lincoln Commercial Club needs to look to its laurels in the baseball line, for the genuine Nebraska spirit is rampant among the "Prof's" over the game to be played May 25th. The faculty does not intend to wait for outside practice games, but instead Professor Caldwell is selecting two teams which will compete in practice and from the two teams the stars will be picked. It is probable that the younger element will compose a reserve detail to step into place when the wheel horses play out. The two prospective teams line up as follows:
