MR. SHEDD AND MRS. CLARK RESIGN POSITIONS.

Regents Meet at North Platte in Special Session. Report of Business Transacted.

A special meeting of the board of regents of the University of Nebraska was held on Tuesday at North Platte, all members being present except Regents Allen and Teeters. The particular object and business of the session was the inspection of the three sections of land constituting the substation farm at that point, the experimental work in progress, the selection of sites for superintendent's house and office, new barn, and other permanent improvements, the remainder of the appropriation to be used for maintenance chiefly and live stock. The building committee was instructed to report to the board a recommendation of the amount required for each of the proposed improvements. The superintendent of the farm and the director were instructed to proceed immediately with minor repairs to fences and to the dwelling house on the west half of the tract.

The resignation of Mrs. Virginia H. Clark, secretary to the Chancellor and assistant registrar, was accepted, to take effect June 1, 1905. Miss Emily Guiwitz was appointed to have charge of the teachers' bureau heretofore managed by Mrs. Clark.

Track News.

The fact that Nebraska will send a track team to the conference meet at Chicago has caused renewed enthusiasm by all candidates. The preliminaries last Saturday brought out many new men, but the class meet of next Saturday promises to furnish some keen competition and it would not be surprising to see some more records broken. From present indications the Sophomores will carry off the honors Saturday, for they will be represented by some strong men in Meyer, McDonald, Weller, Bowman, Craig, Copeland, Smith, Manning, Havens, and Hauser. The Freshmen will have some strong men and should at least land second place. Some of the most prominent men of this class are: Burruss, Wallace, Davis, Cornell and Peck.

The damp weather this week will prevent the men who participated in last Saturday's meet from making much improvement, but the men out for the first time this year will get a chance to show what they can do. Among these will be Manning, States and Havens. Manning is well remembered by the track enthusiasts from his remarkable performances in the dashes two years ago. States has been a member of the team ever since he entered the University, and many times he has added five points to our score. Last year he found a good running mate in Havens, whose performances in the Minnesota meet and at Chicago are sufficient testimony as to his worth. With these men, and the all ready fast team Nebraska should not take a back seat for any one in track athletics.

From the records made by Colorado in the Kansas-Colorado meet we can judge what the Varsity will be up against the 20th:

100-yard dash—Welch, C., first; Johnson, C., second. Time, :10.
120-yard hurdle—Miller, C., first; Butler, K., second. Time, :17 1-5.
One-mile run—Bailey, K., first; Wells, C., second. Time, 5:00.
Half-mile run—Pratt, C., first; Wilson, C., second. Time, 2:12 4-5.
220-yard hurdle—Dickinson, C., first; Morrow, K., second. Time, :28.
220-yard dash—Johnson, C., first; Randall, C., second. Time, :23 1-5.
440-yard run—Randall, C., first; Pratt, C., second. :53 3-5.
Two-mile run—Wilson, C., first; Wells, C., second.
Shot put—Morrow, K., first; Ackerman, K., second. Distance 36 feet 4 3-4 inches.
Pole vault—Welch, C., first; Parker, K., second. Height, 9 feet.

ARE NOT TO SNEAK

SENIORS DECIDE IN FAVOR OF MAY OUTING.

Date Set for Friday, May 19—Consent of Faculty to Be Secured Beforehand.

The Senior Sneak Day has at last given way to the Annual May Outing. Yesterday morning the Seniors decided that their day of rest this year would be in the nature of a May outing and that the time would not be "stolen." The outing will be taken with the full consent of the faculty and it is hoped that no teacher's certificates will be withheld as a result. The outing will be taken one week from today at South Bend, Nebr., which is reached via the Rock Island. The special train will start at 7:30 and return late in the evening. Tickets, which include railroad fare and all other incidentals, can be secured at any time from the May Outing committee at \$1.00 each.

For the Senior Play committee Chairman Ramsey reported considerable progress. The date for the play has practically been decided upon for Monday evening of Commencement week. The concert to have been given by the University chorus on that night has been changed to a later time. Inability to secure the Oliver at a more suitable time caused the committee to decide upon Monday evening.

The Senior song, original in both words and music, will be printed and distributed to each member of the class the first of the coming week, and it is desired that the Seniors familiarize themselves with the song as soon as possible.

Progressing Slowly.

Owing to the inclemency of the weather the tennis tournament is not progressing very rapidly. As yet but two matches have been played, and one of these was won by default. Read defeated Sherlock in two straight sets by the scores of 6-1, 6-1. Sunderland won his match with Geer by default. The other matches will be played off very quickly as soon as the weather permits.

As the University is to be represented by a team against Minnesota in the 20th of this month, it is necessary that the team be chosen early so they can practice together. The varsity players, Cassady and Scribner, of last year, are out and are possible representatives again. But there may be surprises in store for the old players, as there are so many new men out.
