PULL OUT VICTORY

HIGHLAND PARK SCORES THREE IN FIRST INNING.

Varsity Settles Down and Visitors Get Only One More—Visitors Play Good Ball.

The Highland Park baseball team did not have on the right shade of Scottish plaid yesterday afternoon, and as a result the man with the score book only tallied them up four runs to Nebraska's five. Somehow the Highlanders did not have their joints thoroughly thawed out, and could not connect with the ball for good safe hits. Bender's Colts went after everything in the shape of a horsehide sphere that came over the plate, and when the roll was called and final reckoning made, Nebraska had 10 hits to Scots' 6.

The way Tarbet, Highlander's left fielder, would smother the long hits that came out in his garden yesterday was not slow. He was credited with eight put-outs, Highland had another good "man" in their shortstop, Herlenstein, Heine to be concise, who was able to get them all, good, bad, or indifferent, that happened out his way. Kruger was "easy pickin's" for the Varsity and they hit him almost at will, and had it not been for Highland's excellent fielding the score would have been much larger.

Highland led off in her part of the first inning with three tallies. But the Varsity followed in the second with two and in the third with one. The score was a tie and here it remained until the sixth, when Nilsson with three men on bases drove out a two-bagger and clinched his own game. Highland made another in the eighth but that stopped her part of the score making. Thus the game ended with the score 5 to 4. Nilsson pitched a good steady game except at times when he was a little erratic.

The Varsity plays the Town Team in the benefit game tomorrow, and Wahoo at Wahoo Friday. Saturday they play Still College on the local diamond.

WILL SEND TEAM.

Nebraska to Be Represented at Chicago Field Meet.

The difficulty which recently came up regarding Nebraska's admission to the conference field meet to be held in Chicago the first part of June seems about to be solved. The whole trouble hinged on a misunderstanding which Dr. Clapp and others of the Athletic Board had in regard to the communication received from the Secretary of the conference committee. It was thought that by signing the certificate required before entrance to the meet could be obtained we would bind ourselves to adopt conference rules and to live up to any changes which might be made by the conference in the future. As Nebraska has no voice in the making of these rules a reply was immediately sent that we could make no promises regarding changes in the making of which we were not consulted.

A telegraphic reply from the committee was received by Dr. Clapp yesterday to the effect that future rules and changes were not in question and asking if we would sign a certificate to the effect that Nebraska was observing conference rules.

For some time we have been observing conference rules, and most of these rules have since 1899 been incorporated in our own constitution, so the signing of such a certificate will be simply affirming our own rules. The necessary signature will doubtless be affixed at once to the certificate and nothing now interposes to prevent Nebraska from being represented in the field meet at Chicago.

When notice of the ineligibility of Nebraska was received it was learned that both Drake and Ames had been barred also. Whether or not these schools have made themselves right is not known.

Professor Barber will deliver the graduation address to the Bruning high school Friday evening. A request for a similar address at Overton had to be declined on account of the engagement at Bruning.

Dramatics Tonight.

Tonight the Dramatic Club will present its last play of the year in Memorial Hall. Two comedies will be given, the first a one-act curtain raiser entitled "The Silent System." A burlesque entitled "The Shakespeare's Water Cure" will follow.

This play is very different from anything heretofore presented by the Dramatic Club. Shakespeare's most famous characters are represented as visiting a watering place and some comical situations are presented to each. The following is the cast of characters:

Hamlet.....J. L. Davidson
Macbeth.....C. F. Wallace
Romeo.....Claude Davis
Shylock.....F. W. Hrubesky
Othello.....J. E. Edgerton
Lady Macbeth.....Miss Hanlon
Ophelia.....Grace Coppock
Juliet.....Anna Orlofsky
Portia.....Rachael Carns
Ghost.....J. E. Edgerton

Special preparations have been made to make the plays this evening a success. Among the novel features will be special scenery. Elaborate costumes representing fashion contemporaneous to the character have been secured and these together with the scenery will make the plays most realistic. Those in charge have assured that this play will more than rival previous plays given by the Dramatic Club. If this is so then "nuff said."

The caste has been trained by Miss Grace Roper and the plays are under the business management of J. L. Davidson. An admission fee of 25c will be charged to cover expenses.

Seniors, Important.

The Seniors will meet this morning at 11 to practice the class song. The class meeting called yesterday for this purpose was very poorly attended and no attempt was made to learn the song. It is imperative that every Senior be present at class meeting this morning as the song must be learned for the Ivy Day program at 3 p. m.

IVY DAY PROGRAM

SENIORS EXCUSED FROM CLASS AFTER 3 O'CLOCK.

Ivy to Be Planted—Trowel Presented, and Usual Ivy Day Exercises Held.

Ivy Day exercises will begin promptly at 3 this afternoon. The opening portion of the program will take place just east of the Library. The planting of the Ivy will occur at the southeast corner of University Hall just underneath the Chancellor's window. This will be followed by the conferring of the trowel by President White of the Senior Class and the response by Miss Archibald acting president of the Junior class. The remainder of the program will be given in front of the Library. The committee in charge had been assured of the services of the Glee Club, but inability of the Glee Club management to get the men together for rehearsal made it necessary that other music be arranged for. An effort will be made to secure the Cadet Band to fill the place left vacant on the program by the Glee Club.

All Seniors will be excused from classes after 3 o'clock. The program for this afternoon is as follows:

1. Music.....
2. Planting of Ivy.....
3. Presentation of Trowel.....
.....R. H. White, Pres. '05
4. Response.....Pearl Archibald
5. Music.....
6. Presentation of Class Memorial
.....F. A. Peterson
7. Response.....Chancellor Andrews
8. Class Song.....
9. Class Poem.....Minnie Petrashek
10. Oration.....Fred Hunter
11. Music.....
12. May-pole Dance.....Senior Girls

Game Undecided.

The Sophomores and Freshmen failed to finish their game yesterday to decide which team would play the Juniors for the Inter-class Championship. The game was yet young when the field was taken by the Varsity for the Nebraska-Highland Park game. The score at the end of the fourth was 5 to 1 in favor of the Freshies but as five innings had not been played the game does not stand, and it will be necessary for another game before the winner is decided upon. The Sophs seemed unable to solve the mysteries of the Freshman pitcher's curves, and he had them at his mercy during the entire four innings. The Sophs were beginning to solve the mystery somewhat at their last time to the bat, and it is hard to foretell the result of the game had it been played nine innings.

Floor to Be Good.

The auditorium floor, which was not in the best of condition during the dance held there last Friday, will be put in the best possible shape for the Pan-Hel this Friday. Preparations are well under way to make this last dance of the year the best of the year and the best Pan-Hel ever given.

Drop into our new store and get a pair of our new low tan button shoes. They are beauties. Sandersons.
