A Neat Sum Was Taken in at the Game for the Benefit of College Settlement.

The Faculty was too much for the Business Men yesterday afternoon and as a result they walked off with the baseball game by a score of 10 to 7. The old fellows limbered up great and the way they went after the sphere would make some of the leaguers envious. The only weak spot on either team was the pitching staff. The men would do fine for four or five tosses, but their wing soon gave out and they immediately retired. There was one thing that the managers would not stand and that was errors. As soon as a man showed a yellow streak he was immediately retired and another sent in to fill his position. Both managers had plenty of men on their pay roll.

Notwithstanding the fact that such old-timers as Raymond, Shepard, Bell, Woods and Funkhauser were on the Commercial. Persinger, Moore, Payne, Heald, Condra and Piper were playing gilt edge ball and victory had to come. The work of the team's constituents on the side-lines was especially worthy of mention, and the rooting was great. A neat sum was cleaned up for the College Settlement fund.

The following is the lineup and score:

The Varsity won a close game from the Town Team yesterday afternoon by a score of 3 to 2. The Town Team was made up of fast players, three of them being old Varsity players, and the support they gave Bennet was good. Bennet is the best visiting pitcher, with the exception of some of the league pitchers, that has tossed a ball across the plate. He was responsible for several strike outs, and at all times he had perfect control and speed to burn. Miller, the old Varsity catcher and fielder, played backstop for Bennet. With Hammond at second, Fetz at short, and Mickel at first this team kept the Varsity on the move.

The base running of Nebraska was a little off color in yesterday's game but this was made up by the excellent support the team gave "Chesbro"

Morse, the man with the split ball. The work of the Varsity was really tame though as compared with the work of our Faculty. The game with Still College having been called off will make the number of home games yet to be played rather few in number. One of the best games in the remaining part of the schedule is the game with Creighton.

The score was as follows:

Stockholders' Meeting.

The stockholders of The Daily Nebraskan will meet on Monday, May 29, at 11 o'clock in N. 110, for the purpose of electing directors for the ensuing year.

E. F. PIPER,
Secretary.

The Y. W. C. A. girls will have entire charge of the soda fountain at Riggs' today, and the gallant student will have to loosen up and patronize them generously or be an object of contempt forever. All the serving will be done by the Co-eds, and no extra charge will be made for the sweet smiles distributed by them. There will be a heavy force on duty immediately after the competitive drill, so that quick service will be assured even in the large crowd which will certainly be present then.

BENEDICT WINS CUP.

Five Men Average Above 125 Feet in Punting Contest.

Benedict won the punting contest last evening for the Tucker Cup. Bennie's best punt was 51 yards, and this was the best punt in the contest. Drain was a close second, and when the summation was made it was found that he lacked but one foot in tying Bennie. The wind being pretty strong made it hard for the men to do their best and obtain the best results. The other events of the afternoon broke in, and but seven men tried for the cup, out of some dozen entries. Each candidate was given three trials, and then the average taken.

The result of the punting contest was as follows:

- First—Benedict, 136.3 feet.
- Second—Drain, 135 feet.
- Third—Weller, 129.1 feet.
- Fourth—Birkner, 125.3 feet.
- Fifth—Beakly, 125 feet.
- Sixth—McDonald, 121.9 feet.
- Seventh—Campbell, 109 feet.

Leave for Sioux City.

The Varsity track team leaves today over the Burlington for Sioux City, where they will meet the University of South Dakota Saturday. The men who will accompany Dr. Clapp are as follows:

Cadets Go to Camp.

The Cadet Battalion will leave for camp on a special train Monday afternoon at 5 o'clock. The encampment will be held again this year at York. The usual routine of camp exercises, including outposts at night, advance and rear guard and target practice will be held. On one day, which has not been decided yet, a sham battle will occur. Last year the rain prevented this interesting feature of camp.

On Tuesday, June 3, the Battalion will join the citizens of York in celebrating Memorial Day. The program for this occasion has not been announced. It is rumored that there will be an excursion to York Tuesday to enable the students to visit the camp. The battalion will return Friday afternoon.
