Though the make up of the paper has been conducted by the class regularly for some time, the idea of having it printed is distinctly a new feature. Arrangements have been made with the Chicago Evening Journal to throw the offices open to the students in the class and the paper will be printed this year and distributed on June 6.

### Light and Airy.

Tourist cars on the Union Pacific are clean and light and airy. Overcrowding in them is a condition that is absolutely avoided. The seats are upholstered in rattan, and at night the berths hung with heavy curtains. Bevel plate glass windows ornament the sides of the cars; the wide vestibules are enclosed and traveling is made altogether comfortable.

If you cross the continent in one of the tourist sleepers of the Union Pacific you will enjoy your trip and save considerable money. Inquire of

E. B. Slosson, Gen'l Agent.
