WEEK'S PROGRAM

THE PROGRAM FOR THE WEEK HAS BEEN ANNOUNCED.

About 200 Seniors Will Graduate—All of the Details of the Program Have Not Yet Been Arranged.

The names of the Seniors who will graduate this year will not be announced until the records for the final examinations are sent in to the office. The records will all be in the hands of the Registrar by the last of next week. About 200 will receive degrees. The class this year is somewhat smaller than the one of last year, due in part at least, to the extra large class in the law college last year.

The program for the week will be as follows:

Saturday, June 10, 8 p. m.—Eleventh annual concert of the University School of Music, Memorial Hall; 5 p. m.—Annual meeting of the Nebraska Section of the American Chemical Society, Experiment Station, University Farm.

Sunday, June 11, 8 p. m.—Baccalaureate address by Chancellor Andrews, "Fidelity to Conviction," Memorial Hall.

Monday, June 12, 8 p. m.—Senior Class Play, Oliver Theater.

Tuesday, June 13, 11 a. m.—Annual meeting of the Board of Regents, 6 p. m.—Phi Beta Kappa banquet; 8 p. m.—Phi Beta Kappa oration by John Lee Webster, "The American Scholar of the Twentieth Century," Memorial Hall.

Wednesday, June 14, Alumni Day, 2 p. m.—Business meeting; 3:15—Sports; 4:20 to 5 p. m.—Address by Rev. Orin Wesley Fifer, '89, of Des Moines, "The Renaissance of Religion"; 5 to 7 p. m.—Farm lunch; 8 p. m.—Commencement concert by University chorus, soloists and orchestra, the Auditorium; 9:30 p. m.—Alumni reception, Memorial Hall.

Thursday, June 15, Commencement Day, 10 a. m.—Commencement procession. Commencement oration by William Jennings Bryan. Conferring of degrees, the Auditorium; 8 to 9:30 p. m.—Chancellor's reception to the faculty, regents, alumni, and friends of the University, Art Hall.

The commencement procession—Marshall, Wilson Chase, captain twenty-first United States Infantry. The procession starts promptly at 10 o'clock from Library Hall.

DeYoung Takes a Ducking.

D. P. DeYoung, '07, who secured a leave of absence about two weeks ago to enter the employ of the International Harvester Company, had the exciting and somewhat dangerous experience of taking an unexpected bath on May 25, while crossing the country after a heavy rain. The following quotation is taken from the Daily Oklahoman of Oklahoma City and explains itself:

"A commercial traveler in the person of Mr. DeYoung, representing the International Harvester Company, of America, with headquarters at this city, had quite an exciting experience yesterday morning in the way of a free bath. While driving across coun-

try from Comanche to Duncan, I. T., after the heavy rains that had fallen during the night, his driver underestimated the depth of a stream to be forded and carelessly plunged into water of unpleasant depth. The first leap the horses made they were buried full form beneath the water and the second dive they pulled in the men and buggy. The stream was exceedingly swift and about five rods wide, so before the horses had swam the distance the boys both received a good ducking and during the short spell, which seemed like an hour, the traveler lost one of his grips, his hat and partly damaged a good suit of clothes. The pleasures of the experience, though, as expressed by him, far exceed the displeasure of it, if it occurs but once in a life time."

Company Q Parades.

The annual dress parade and exhibition drill of Company Q was held last Saturday evening. The company formed at the University Armory in full dress about 8:30 with 200 present. The company was under the able leadership of several of the commissioned officers in the Cadet Battalion. Exhibition drills were given at the University Woman's Building, the Chancellor's residence, the Lindell hotel, the Lyric, the Auditorium, and several conspicuous places about the city. Many of the more zealous of the cadets in the company were not satisfied with the quality of drill put up on the brick walks and after consultation with the person in charge secured permission to enter several of the above mentioned places to try their skill on the "more pleasant to the foot" carpet floor. The judges were unanimous in their decision that the drill of Saturday evening excelled all former ones. Special mention was made of the quality of the work done on the fourth floor of the Woman's Building.

Excitement at the "Dorm."

Saturday afternoon a pretty Miss was seen strolling down O street with a '08 cap upon her head. A few minutes later it was in the hands of the upper classmen at the "Dorm." The news spread rapidly and the Freshmen being unable to obtain the cap, locked five of the upper classmen in one of the rooms on the second floor. By a stairway of winding sheets two of the girls escaped through the window and released the others. No bones broken—victory for upper classmen.

At about 9 p. m. Company Q took possession of the "Dorm" for a short time. An hour later Company Z composed of about 75 "Dorm" girls put an end to all rules and marching to the roof made themselves heard far and wide. They then passed to the first floor where they danced till a late hour.

A University Band smoker was given at the Sigma Alpha Epsilon house last week. The members of the band presented President Hayman with an excellent gravel as a token of appreciation of his service. Mr. L. J. Peperberg was made the recipient of an ebony baton. Refreshments were served.

Armstrong sells the Hats for camp.

NEBRASKA WINS

DEFEAT HAWKEYE MEN AFTER A HARD STRUGGLE.

Meet in Doubt Until the Final Game Was Won—Nebraska Takes the Second, Fourth and Fifth Sets.

Nebraska won the deciding matches in the tennis doubles Monday, after one of the most exciting contests ever witnessed on the Nebraska courts. The teams were very evenly matched and the result was in doubt until the last of the five sets was finished.

The singles played last week resulted in a tie, Monnet winning from both Cassady and Scribner, and they in turn both defeated Cogswell. It was, therefore, agreed that the winner of the tournament should be decided by the doubles.

The early part of the match looked bad for Nebraska. Cassady, Nebraska's champion, did not play in his usual form, while Monnet, the champion of Iowa, was easily the best individual player of the tournament. The first set went to Iowa, 6-1. Nebraska took a brace and after a hard uphill struggle won the second, 8-6. Iowa secured the third, 6-3. Nebraska won the fourth, 6-3. The fifth and deciding contest went to Nebraska, 6-4.

Scribner played an excellent game from start to finish. Cassady seemed to be off form in the early part of the contest but regained it for the final struggle. The Hawkeye men have defeated Ames, Illinois and several other strong teams, suffering but one other defeat and that at the hands of the University of Chicago early in the season.

Two More Games.

Two more baseball games are scheduled to be played on the University campus. On Thursday afternoon the team from Spalding's Institute at Peoria, Ill., reputed to be one of the fastest aggregations in that State, will meet the Varsity on Nebraska field. The following day the nife from Creighton University of Omaha will come down to try conclusions with Captain Bender's colts. This is the last opportunity of the year to see the Varsity play and will be last time that Captain Bender will appear as a college baseball player. Bender has made a record as an athlete in the University that will be hard to beat, having played his full time as a member of Nebraska baseball, football and track teams. He has been one of Nebraska's "standbys" and has many times turned what seemed sure defeat into victory.

E. F. Myers, U. of N. '04, won the 65-yard dodging race for football men at Harvard on May 23. He also took third place in the 75-yard race for football players. These were two of the events of the third annual University field day sports held at Harvard on that date. Over 200 men competed in the 16 events pulled off. A silver cup was awarded the winner of each event.

The Boston Globe gives the following account of the two events which Mr. Myers entered:

"The most interesting events of the afternoon were the dodging race for football men, the 75-yard dash for football players and the pig-a-back race. In the dash for football men, each man running in football togs and carrying a football, which he had to pick up at the start, Louis Morris, '06, won in a close race with H. Foster. All of the men in the dodging race were in football togs, and E. F. Myers II. won out."

Meet Off.

The tri-State track meet at Sioux City last Saturday had to be called off on account of the muddy condition of the field. This resulted in the trip being made by the Nebraska team for nothing, and South Dakota and Morningside universities were put to about \$200 expense, with no gate receipts to reimburse them.

Journal to Continue.

An erroneous impression that the University Journal has discontinued publication has been spreading over the campus. The paper will continue to be published next year. Professor C. E. Persinger, of the Department of American History, will succeed Mr. H. G. Shedd as editor of the publication. It is designed next year to improve the appearance of the Journal by using better paper and decreasing the amount of linotype work on the paper.

Last Meeting.

The last meeting of the Zoological Club for the academic year was held last Saturday evening.

Mr. W. E. Allen, recently elected to the faculty of the new normal school at Kearney, reported on "The Structure and Classification of the Arthropods," Prof. H. B. Duncanson of Peru, on "The Development of Pearls in Oysters by the Action of Parasites," and Mr. R. T. Young on "The Origin of the Water System in Star Fish and Sea Urchins."

The meeting was one of the most interesting of the year and at its terminus the members adjourned to enjoy ice cream soda on invitation of Professor Duncanson.

Barbs Elect.

The Associated Barbs meet at 11 a. m. in the Chemistry lecture room Monday. The annual election of officers resulted in the following men being chosen for the ensuing year: President, Herbert G. Myers; vice president, H. A. Brubaker; secretary, P. F. O'Gara; treasurer, M. F. P. Costelloe.

After a short discussion it was voted to empower the newly elected officers of the association to act as they might think best in an effort to, if possible, secure the repeal of the clause in the Athletic Board Constitution requiring that each voter deposit twenty-five cents before securing his ballot at the election of student members of the board.

Mrs. Abel, who has had charge of the Academy building for two years, was called to California by the illness of her mother, but is able to enjoy her visit now that her mother is improving. She expects to be away all summer.
