

Largest University in World.

Registration at Columbia University shows that the attendance upon the university courses for the scholastic year is 7,468, as compared with 6,842 last year, an increase of 626 and, including the extension courses, the number is only 8 short of 8,000. This places Columbia at the head of all other universities in the world in point of attendance, taking the place of Berlin, which stood at the head last year.

Very Likely.

"What are those three Medics chasing that Law student for?"
"I guess they intend to take the law into their own hands."

Something New.

A new flag made its appearance on the pole of University Hall yesterday. The sight of something new about this antiquated structure created quite a sensation.

All students should visit the "College Inn Barber Shop at 127 North 12th S. L. Chaplin, Prop.
