"Fighting Joe Burns"

A Candidate for the State Senate

Lincoln and Lancaster County Business Men
Ask Republican Voters to Support Mr.
Burns, at the Primary Friday

HON. JOSEPH BURNS

Joseph Burns is not a self-constituted candidate for the legislature. He has made no effort personally and will make no effort to secure the nomination.

In previous sessions he has secured the passage of a pure oil bill for the benefit of the residents of the state. He secured the enactment of the reciprocal insurance law. This has brought thousands of dollars into the state treasury. He pushed through appropriations for the state university for buildings, extensions, salaries and improvements.

Mr. Burns, if nominated and elected will give his entire time and attention to the material needs of Lancaster county. He will favor progressive legislation, will vote to allow the people of Lincoln to decide on municipal ownership and will devote his energy and vast legislative experience to defending the county and city from attacks of enemies abroad.

Do you want better laws for the safeguarding of labor?

Are you interested in legislation beneficial to all classes?

Do you want adequate salaries for the faculty of the state university?

Are you in favor of new buildings on the state university campus, a handsome state historical society building, improvements at the state fair grounds or state capitol, and better conditions at the penitentiary?

If so, vote for Joseph Burns at the Primary.

Remember the issue is "Lincoln and Lancaster County."

Do Not Forget the Country Candidate

For the Republican Nomination for

STATE SENATOR

JOHN T. MARSHALL, of Panama is the only country candidate for the state senate. For years it has been a custom for the republicans to select a senator from the country and one from the city of Lincoln. There are four candidates for the nomination from the city and one from the country. In order to be fair with the farmers VOTE FOR JOHN T. MARSHALL and one of the four city candidates.

MR. MARSHALL is a pioneer resident of Lancaster county. He stands for constructive, progressive legislation. He will support the municipal ownership plan.

He favors liberal expenditures for the state university, the state farm, the state historical society, the state fair, and all other Lancaster County institutions.

This is business, not politics. Vote for the country candidate for the REPUBLICAN NOMINATION for the state senate.
