

GIRLS ANNUAL CONTEST DRAWS A BIG CROWD

ALTHOUGH DENIED ADMISSION,
BOYS SEE MEET.

SEVERAL GOOD RECORDS MADE

Baseball Game, Track Events and
Relay Race Were Features of the
Meet—Band Furnished Music.

Yesterday afternoon occurred the girls' field meet, which resulted in the display of much interest from the comparatively large audience, and some good records were made on the part of the feminine athletes.

The different contests consisted of a baseball game which was won by the freshmen by a score of 28 to 14 against the sophomores; a twenty-five yard dash, which was won by Miss Lottie Savage, Edith Shank second and Alice Eason, third; time, three and three-fourths; a fifty yard dash, won by Miss Florence Simmons, Ollie Sturdevant, second, and Ruth Sheldon, third; time, seven and one-fifth; a basket-ball throw, won by Miss Lottie Savage, distance, seventy-seven feet; a high jump, won by Miss Hazel Robinson, height, four feet and two inches. The last event was the relay race, won by the sophomores, juniors second, freshmen third, and seniors fourth; time, one and three-fifths.

Law Students Interested.

On account of the great excitement on Nebraska Field, many of the law students were called away from their cases to see what was going on—from the third story windows of U. Hall. The boys got so excited that Miss Thompson, the law librarian, was forced to call them away from the window.

The engineers also, from the windows of the Engineering building, took much interest in the events, and loudly applauded when ever a record was broken or any girl made a good showing. It might be said here for the benefit of anyone who might not know, if such can be the case, that the boys were not allowed on the field and that is the reason why the windows overlooking the field were so popular.

On the whole, it is thought by many of the girls that this meet was superior to the one of last year, as things went off better and better records were established. While the audience was not so large as was expected in regard to the "female fans," the band, with its sudden increase in size, made up the deficiency with its music and hilarity.

Any University girl was allowed in the events instead of only physical education girls of the normal department, as last year. A total of 139 entries by eighty girls took part in the meet.

NEW COURSES OFFERED.

Maximum of Nine Hours Obtainable at
Summer Session.

More courses are offered in the catalogue for the summer session of 1912 than in any previous year. Courses can now be taken in nearly any of the general arts and science subjects and owing to the fact that the course was extended from six weeks to eight weeks in the summer of 1910, it is now possible to obtain a maximum of nine hours credit.

This course will be of especial ad-

Elaborate program

Planned for camp.
(Continued from page 1)

11:28 for Lincoln and the girls who
attend the dance can come back to
Lincoln Friday night.

Camp Breaks Saturday.

Camp will be broken Saturday morn-
ing immediately after breakfast and
the soldiers will be back home from
their outing before noon.

During the entire encampment
copies of the Daily Nebraskan will be
sent to Camp Avery and one delivered
to each tent each day. Camp news
will be sent to the paper each day by
a special staff correspondent, keeping
those who stay at home in full touch
with what is going on at Crete.
